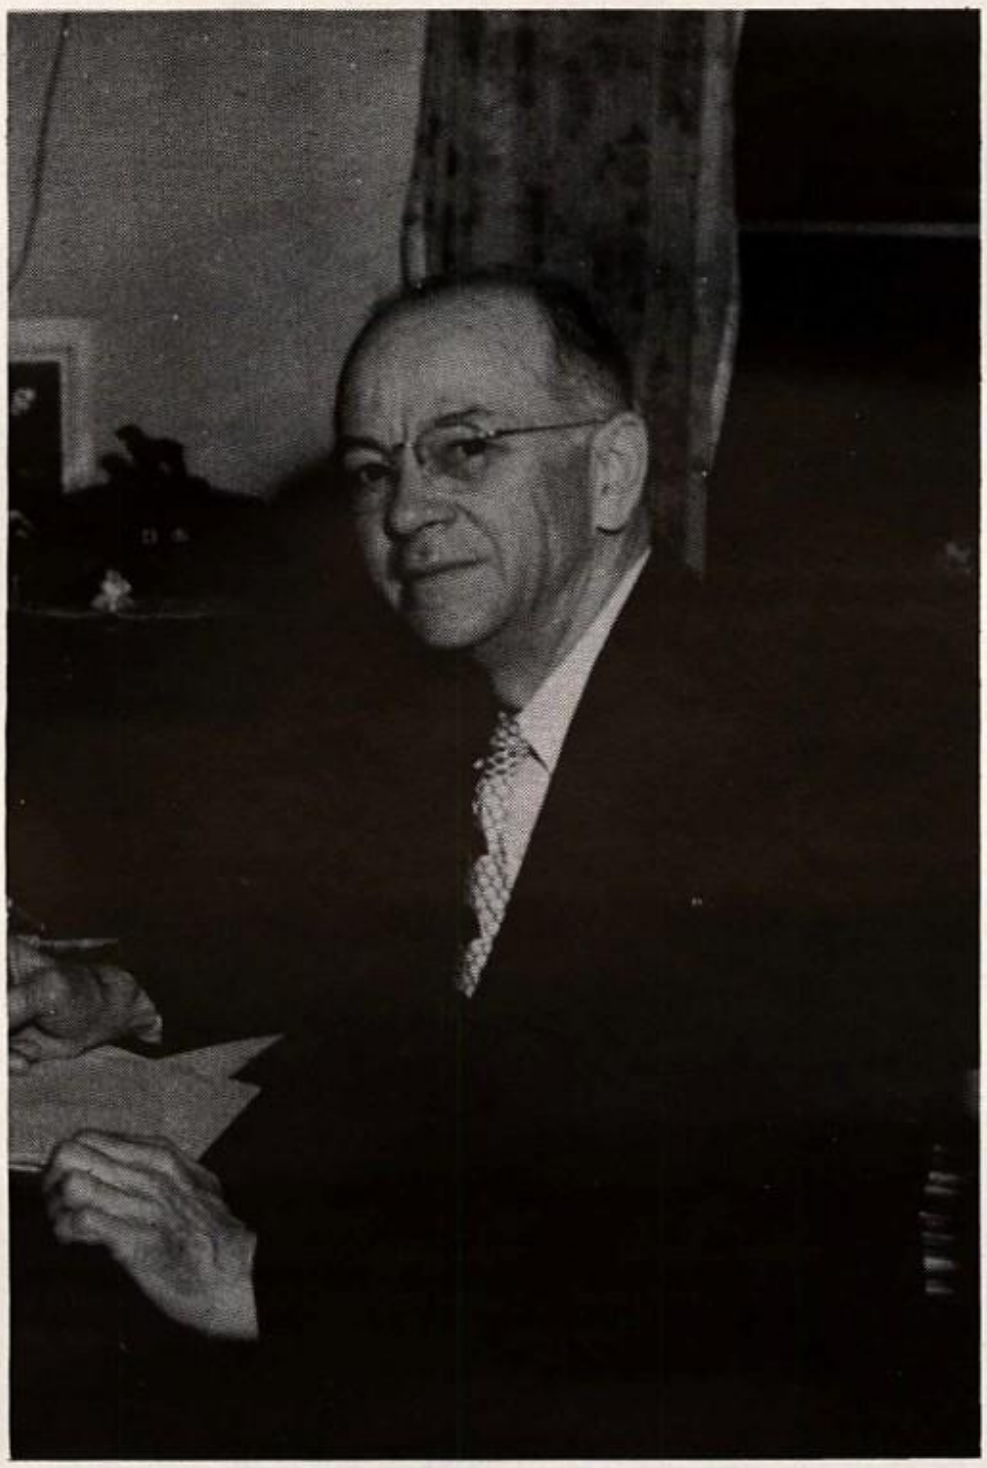
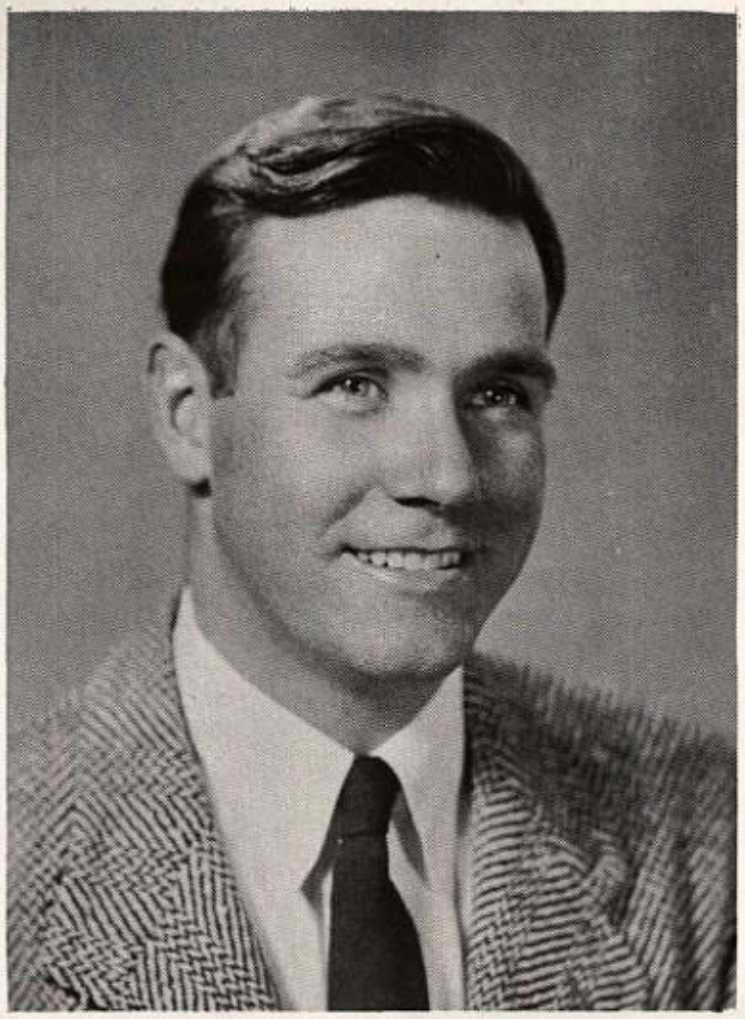
# THE '52 TOWER

DONALD J. MINER
*Editor*



The Tower is honored to dedicate this 1952 edition to Mr. Percy Benedict, teacher of mathematics and science, and, for a long time, faculty adviser to our school newspaper. His sincere devotion to the objectives of our alma mater and his interest in the students both as a teacher and friend, are a source of inspiration to all members of our Tilton family. The Tower of 1952 takes this opportunity to wish him continued success and happiness in his work ahead.



JOHN R. GULNAC

1921-1952

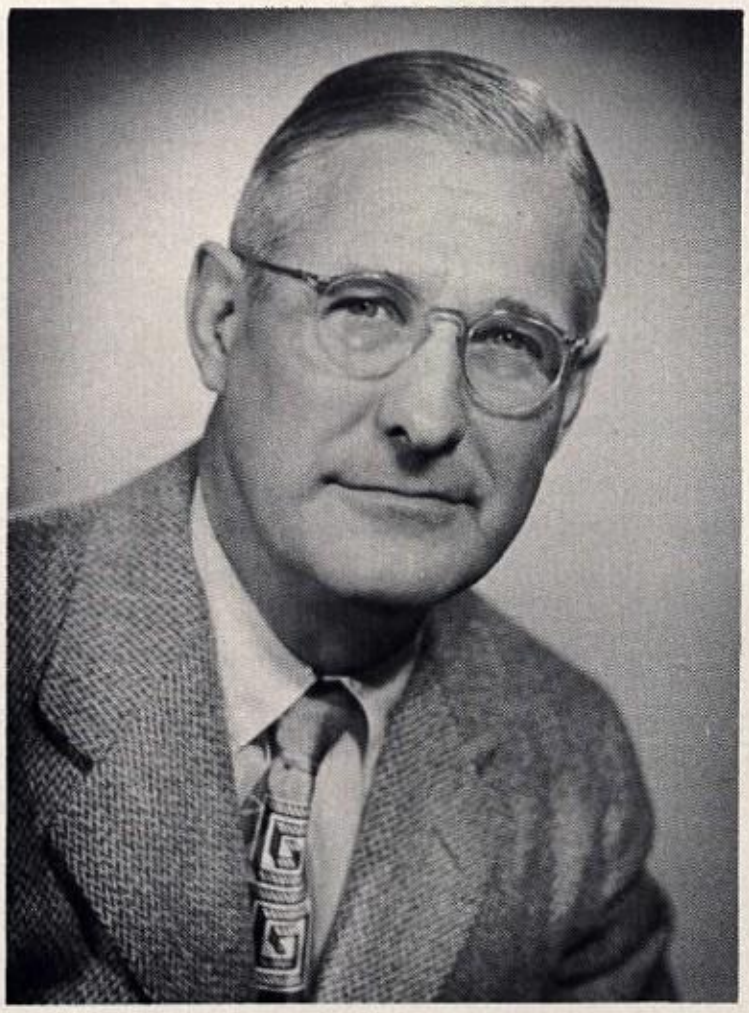
From his love of learning we drew inspiration, for he had a passionate enthusiasm for what he taught. From his fairness and tolerance and honesty we learned to respect human personality. From his pride in our achievement we received satisfaction and comfort.

"——, at noonday in the bustle of man's worktime
Greet the unseen with a cheer!
Bid him forward, breast and back as either should
be,
"Strive and thrive"—cry Speed,—fight on, fare ever
There as here!"

## KARL BROCK DEARBORN

1899-1952

I know there are no errors
  In the great eternal plan,
And all things work together
  For the final good of man.
And I know when my soul speeds onward
  In its grand eternal quest,
I shall say as I look back earthward,
  Whatever is—is best.



## SALUTATION OF THE DAWN

from the Sanskrit

Listen to the Exhortation of the Dawn!
Look to this Day! For it is Life!
In its brief course lie all the Varieties
And Realities of your Existence:
  The Bliss of Growth,
  The Glory of Action,
  The Splendor of Beauty;
For Yesterday is but a Dream
And Tomorrow is only a Vision;
  But Today well lived
Makes every Yesterday a dream of Happiness
And every Tomorrow a vision of Hope.
Look well therefore to this Day!
Such is the Salutation of the Dawn.

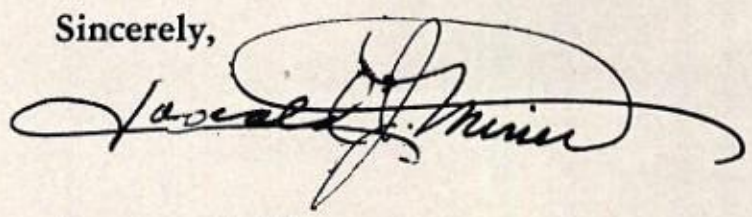
*From the Editor's Desk:*

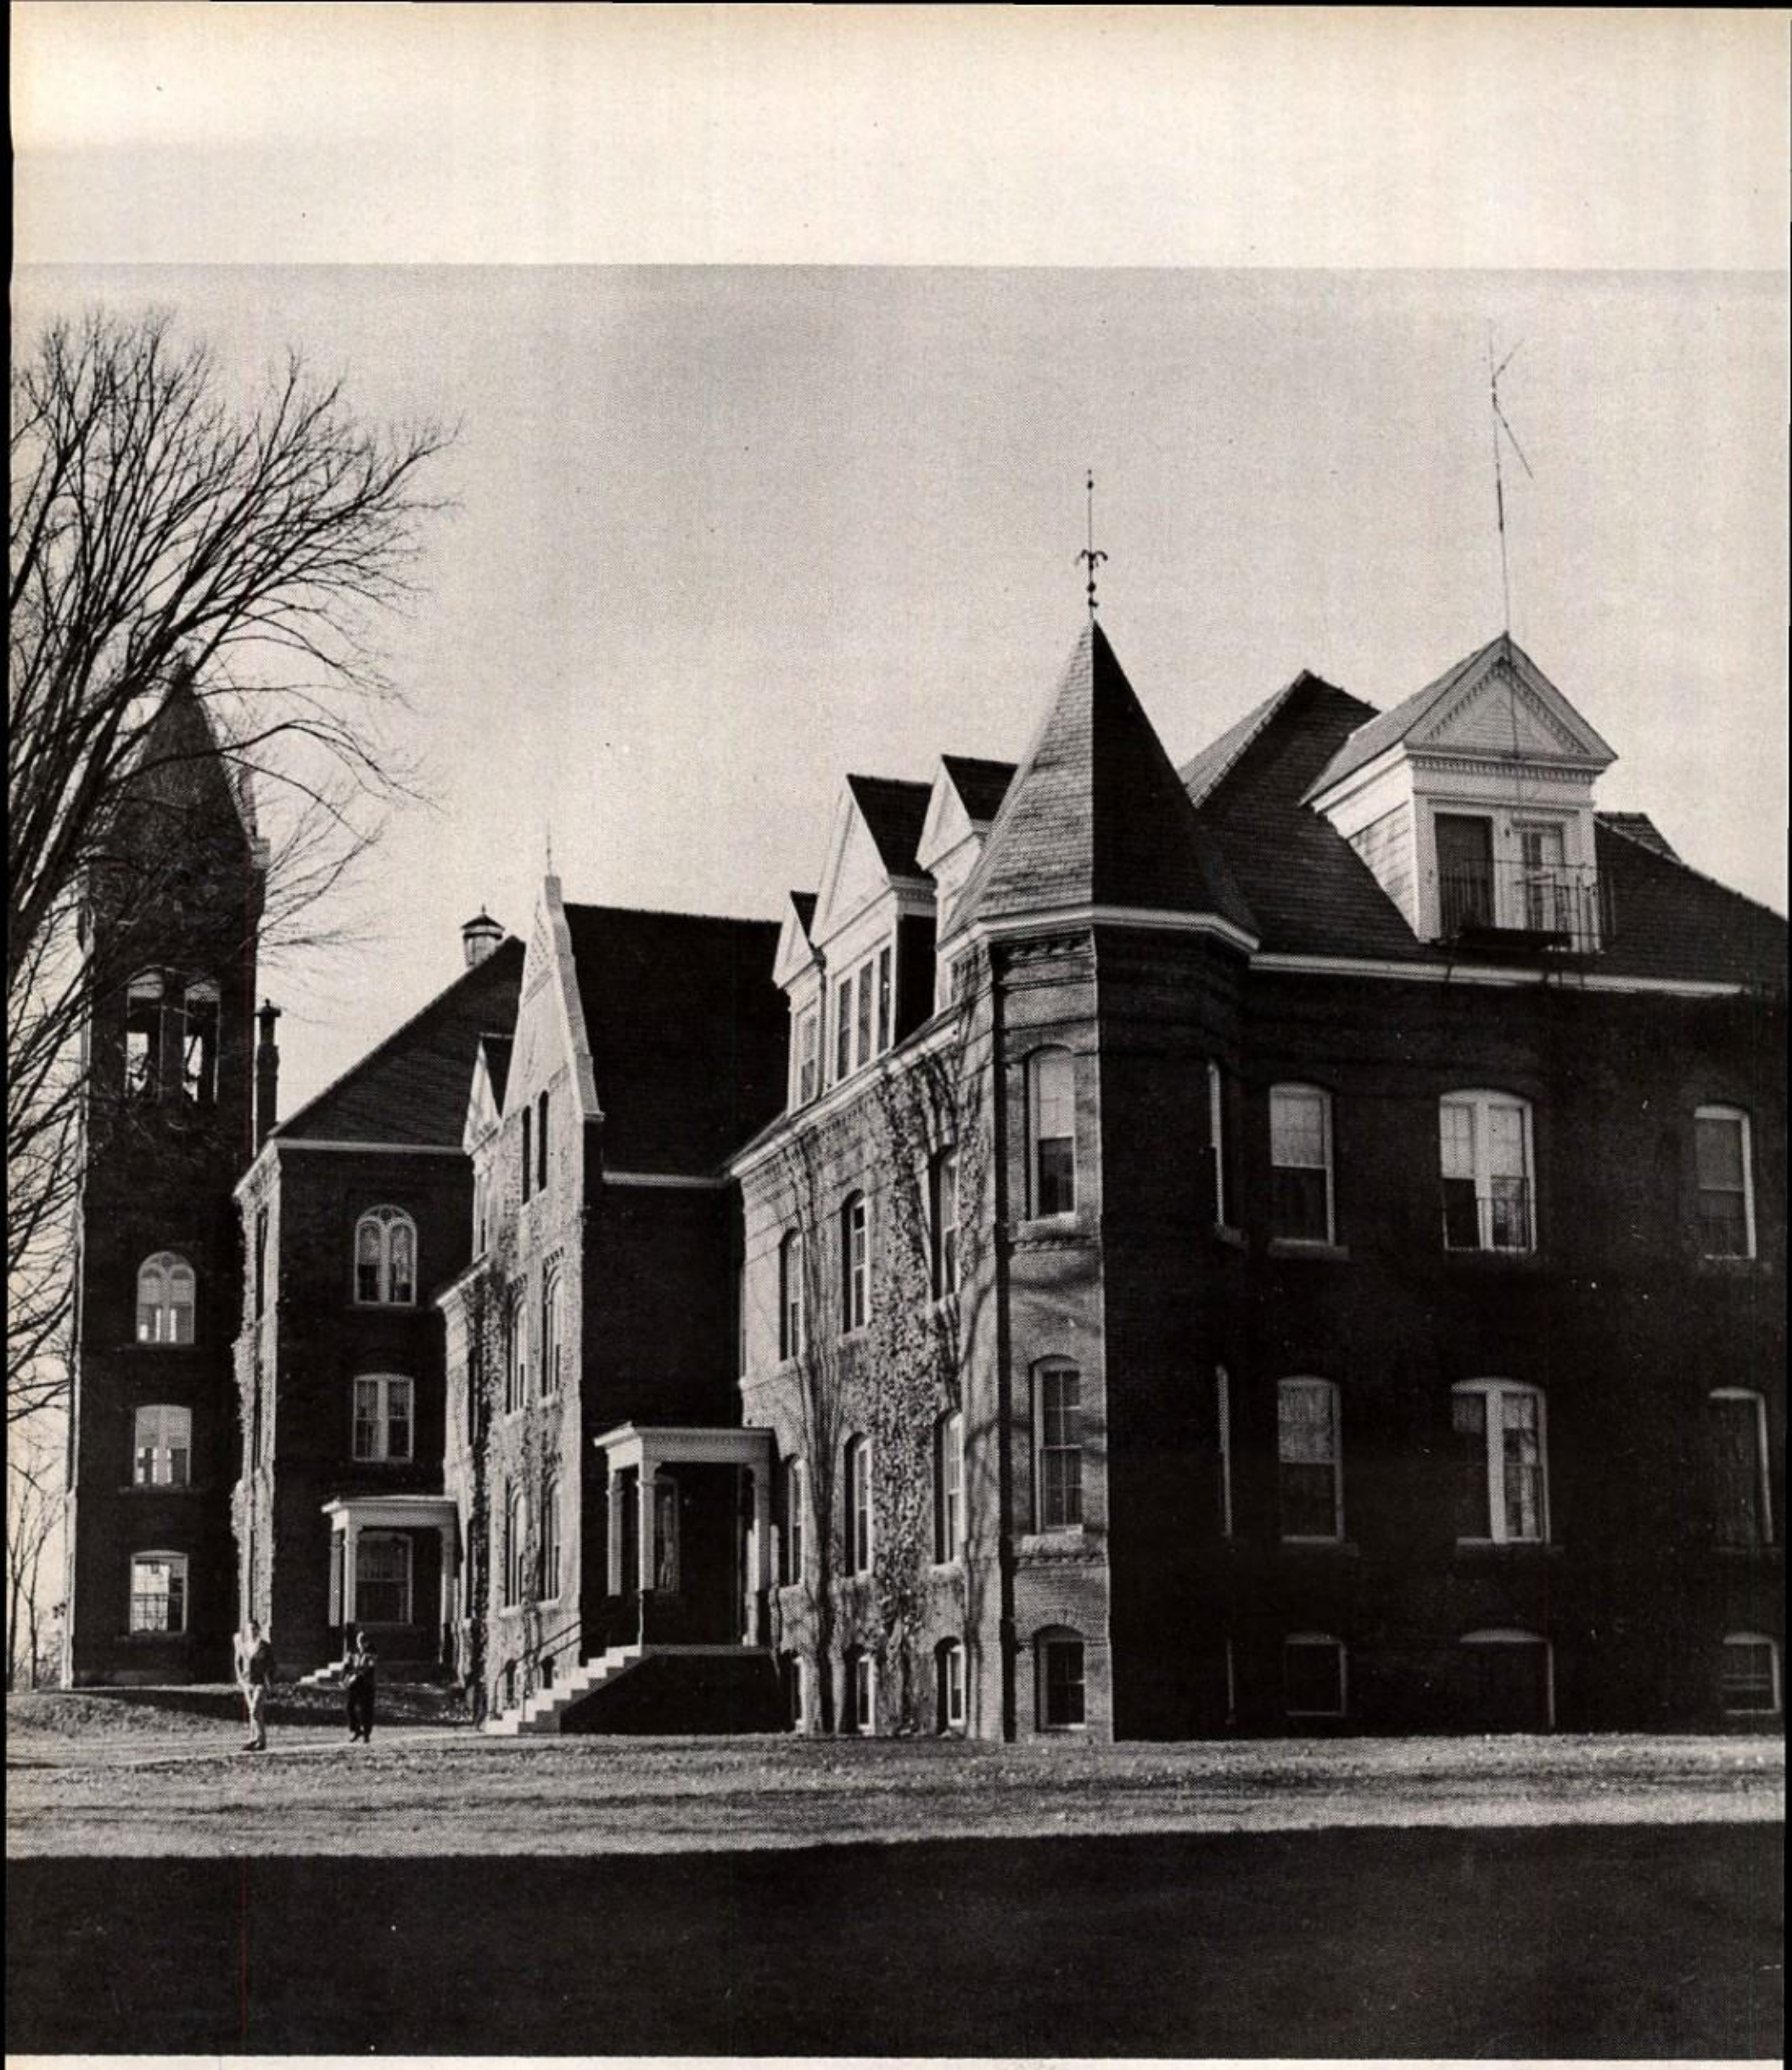
Dear Classmates,

The Tower staff of 1952 has been working on the yearbook since the early part of the year. We have endeavored to make this yearbook a little different from those of previous years, and believe we have succeeded in producing an excellent picture story of Tilton. Naturally emphasis has been placed on the senior class, but all other activities have been amply covered. The Editor wishes to thank all those who, in any way, contributed to the success of our 1952 Tower. We hope you enjoy it as much as we did preparing it, and trust that it will bring back many pleasant memories in the years to come.

Sincerely,



DONALD J. MINER



A school should not be a preparation; a school should be life.

*Elbert Hubbard*

Whatsoever things are lovely, whatsoever things are of good report, if there be any virtue, . . . . think on these things.

*Philippians 4:8*

Behold, how good and pleasant it is for brethren to dwell together in unity.

*Psalms 133:1*

Let us go on together unto perfection.

*Hebrews 6:1*

I withheld not my heart from any joy, for my heart rejoiceth in all my labor.

*Ecclesiastes 2:10*

And if any man think that he knoweth anything, he knoweth nothing yet as he ought to know.

*Corinthians 8:2*

There's beauty all around our paths, if but our
watchful eyes
Can trace it midst familiar things.

The year draws to its close and Commencement time finds us in one of those positions where we are looking in two directions—backward and forward.

In retrospect we see the experiences which, added together, bring us to the day of graduation from preparatory school. These experiences begin to clarify themselves. The important begins to stand out from the unimportant. The significant stands out from the incidental.

The forward look is not so clear particularly in a world so clouded by confusion.

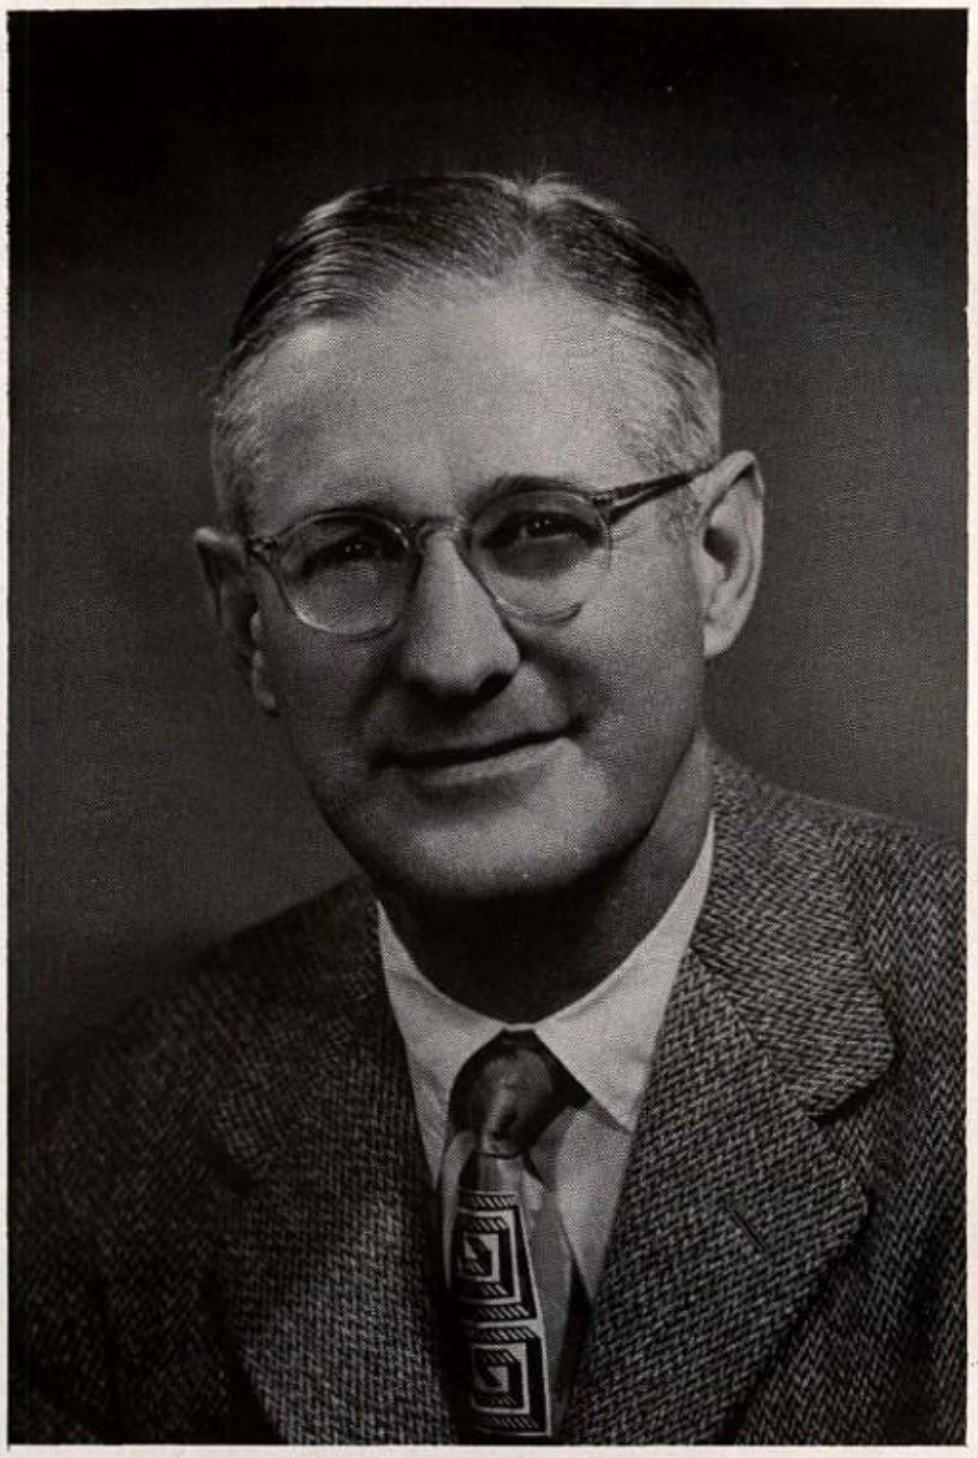
The word Commencement is rightly used in connection with graduation. This is not an end. It simply marks another step in our progress. It is the commencement of a new phase of life. All that has happened previously is preparation for what is to come.

It is our hope that the graduating class of 1952 has been well prepared. We trust that those who go to college are well prepared to meet the academic standards of the college level. But we realize that this is only part of the responsibility of such a school as Tilton. We trust that you are prepared to face life — to meet its emergencies, to take full advantage of its opportunities, to bear your full share of its responsibilities, to be strong in the presence of its temptations and heroic in the presence of its disappointments and disillusionments.

May you go out with a deep reverence for that which is Holy, a wholesome respect for your fellow man and a real sense of your own obligations.

Very best wishes from the Headmaster and his family.

J. Rolland Crompton



10 January, 1952

*To the Members of the Graduating Class:*

This is a time of mixed feelings — great joy and eager anticipation. Your graduation is a big event; there is nothing quite like it. Behind you are months of study, weeks of hard work, and days of fun. Ahead the future wiggles a beckoning finger.

Whether you go on to college, serve in the armed forces, or enter the world of business and industry, you will find there is much to be done. There are rough spots ahead that will call for harder work than the toughest tests Tilton ever exacted. Soon responsibility will come your way and you will discover a new and deeper significance to the ideas of duty, loyalty and service. But you will measure up, I know, for I have learned and liked your straight-from-the-shoulder attitude as Tilton students.

To the class of 1952 my heartiest congratulations and very best wishes. Come back often; we shall be glad to see you.

Karl B. Dearborn

The Tower is proud to honor two educators who have devoted their lives to Tilton School. During their many years of faithful service they have inspired students with their high ideals and exacting standards. The wealth of knowledge gained in their classes has ably prepared the Tilton student for the difficult road that lies ahead. We feel that it has been a distinct privilege to have Mr. Smart and Mr. Berry guide us in our work at Tilton.

The Class of 1953, under the supervision of Mr. Berry, class sponsor, met early in the year and elected as their class officers Richard Harvey, President, Bill Shepard, Vice-President, George Miller, Secretary, and Charles Adams, Treasurer. The Juniors were an extremely versatile group, participating in nearly every school function. They contributed to all varsity and junior varsity athletic squads; they earned high scholastic recognition, and they attained privileges or, with greater facility the proscribed list. Ben Chertok, Joel Einstein, Al. Roulston, Peter Sinz and Bill Shepard were consistently honor students. Socially the class was second to none. Abbot Academy and St. Mary's In The Mountains were among the girls' schools frequented by the Juniors, and during the Winter Carnival Ball the young ladies escorted by George Miller and Bill Shepard were chosen for the Queen's Court.

The motley exploiters of '53 look forward to their senior year confident that past experiences will point the way toward another successful year at Tilton School.

Registration day last September brought new faces to the class of '54, but we also saw many new faces from last year. Only two boys did not return. It wasn't long before everyone got straightened out and the class started to get organized.

Early in the year we held an election and chose Bill Zschau our President, "Dagwood" Rostau our Veep, Bobby Lee secretary, and Pablo Espinal our money-man.

In athletics, we sophs excelled as Bobby Lee starred for the Varsity Football squad, Fritz Pryor, Elliot Casten, Joel Rostau, Maury Ledoux, and Bill Zschau did excellent work for the J.V.'s. The soccer team also had on its roster star performers, Pablo Espinal, Fred Hall, and Tom Gates. Ross Kinsman was a Varsity Football manager and Ted Fite served in the same capacity on the soccer squad. And that's not all! In winter sports, Bobby was a starter on the Varsity Basketball team, Fritz Pryor on the J.V.'s, and Pablo starred on the ice. "Hippo" Galkin, who joined us in February, was also an able performer on the J.V.'s.

Richard Leining again excelled in the scholarship field, and while he and Pablo led one list, Paul Sport, Elliot Casten, and Bill Zschau led another!

We think the class of '54 as a whole has tried its best and believe we've succeeded in setting a few records for oncoming classes to equal.

The Freshman Class this year consists of ten boys, all of whom add their bit to form a well balanced, united group. Its contributions to Tilton's athletic activities are as many if not more than expected for Norman Wilson made the basketball and football jayvee squads while Ed. Phinney earned his JV football letter. Our class officers, headed by Eddie Weissman, are Ed. Phinney, Robert Provost and Bruce Morrell. Morrell and Weissman led the class scholastically. In various clubs and organizations the class of '55 holds many important positions and duties. We have Freshmen on the Tower Staff, on the Tiltonian Staff, in the Dramatic Club and on the Student Council. Nearly all of us are members of the Outing Club. We feel that this year's Freshman class has the "esprit de corps."

Now comfortably quartered in their new dormitory "WYATT" Cottage—the Lower School staff, proctors, and students are feeling exceptionally proud and are holding open house at any time. Already many students and faculty have "toured" the new dormitory.

All classes are held in Plimpton Hall as last year. The daily schedule is interrupted by a milk lunch period at ten in the morning, and by athletic periods during the afternoon before the evening meal. Evening study halls are held both in the dormitory and in the classroom.

Members of the Lower School are participating in the following activities, according to the season: touch football, track, softball, baseball, basketball, skiing, skating, hockey, golf, and general athletics. One or more members of the group earn the Junior Varsity or Reserve athletic letter for their work as players or managers.

In scholarship ratings, the boys have averaged around the 75-80 range with a few making Honor grades the majority of the marking periods in addition. A few students have been on the Privilege lists most of the year.

The Student Council has done excellent work this year in carrying out the duties assigned it. Shortly after the opening of school, and after class elections had been held, the Council began to function as an organization. During the year various problems arose which were handled effectively by the body. The Student Council consists of the five class presidents, the captains of all major sports, all club presidents and one delegate each from East and West Knowles, together with one from Pfeiffer. Elected last spring, as president, Peter Georges has handled his position most admirably. Granting of privileges was streamlined this year by the adoption of a set of rules governing this difficult task. The council sent letters of condolence to Mrs. Dearborn and Mrs. Gulnac. The council also sponsored the Christmas Party for the boys of Daniel Webster Home in Franklin which proved to be a great success. Cooperation and action has been the policy of the Student Council during the year.

# THE TOWER

The Tower Staff has been working on the annual since the early part of the year. We have endeavored to produce a yearbook that is somewhat different from those of previous years. The cover has been given a "new look" and we hope that you like it. The contents are a pictorial review of life at Tilton as we have seen it during the year. The Editor wishes to especially thank Tommy Leidner for his work in sports, Phil Decicco for his work in the art department and Dick Zallen for his work in the advertising department. We thank Mr. Selvin, our advisor, for his untiring work with the staff during the preparation of this annual. The Editor and Staff hopes that you enjoy this year's yearbook as much as we did producing it. In the years ahead, we know you will thumb through these pages to refresh your memory, because the darn'd old place of yesteryear has become "my dear alma mater."

# TILTONIAN

Under the capable leadership of Editor-in-Chief Bill Shepard and Editor Emeritus Jim Huntley, the forty-third volume of the Tiltonian comprised six issues. Although a much smaller staff than in previous years worked on the paper, all facets of school life from sports to dormitory life were ably covered. Familiar to all issues were Tommy Leidner's sports columns, Al. Boren's "Pfeiffer Hall," Don Miner's feature articles, and Bill Shepard's "classified ads."

During the Winter Carnival weekend a special farce Tiltonian issue was written by three staff members. It was well received by the students and guests and may serve to establish a precedent.

In closing we would like to thank Mr. Benedict, our faculty advisor, for the assistance he gave us during the year. His advice was invaluable in making this year's Tiltonian so successful.

# HOME ECONOMICS

## If It Is In Print, It Must Be True

However, in fairness to the boy concerned, it should be said that his picture is not what it may at first appear to be. This school is strictly conducted on (some of) the Methodist principles of its founders. This is a typical class room at Tilton School. This young man happens to be one of our honor students, who is meditating on the subject matter. The trouble all started when he got his underpinnings tangled up with the underpinnings of his desk, and those of the desk in front of him. You can imagine the difficulties encountered by our boys when they get onto the Low Grade list.

For Al Lowe's benefit we print the following:

A man in the insane asylum sat fishing over a flower bed. A visitor approached and wishing to be affable asked, "How many fish have you caught?"

"You're the ninth," he replied.

## Added To Tilton Curriculum

The noted chef, P. J. Dixon, S. B., A. M. and Bar-B Q., will commence a series of lectures on the fine art of cookery. His latest book, "You, Too, Can Have Ulcers", subtitled "The Spaghetti is Burning Again, Let's Go to the Automat", is a nation-wide best seller. His course includes everything from soap to nertz, and if you are untalented it is guaranteed that you will remain in that condition.

Perhaps Mr. Dixon's greatest contribution to the annual intake of Alka Seltzer is Potato Schmaltzburg. The ingredients are: one potato (small), four onions (large), sixteen pickles (sour), four pounds of garlic for that subtle but dainty touch of exotic flavor, and eighteen bubbling cauldrons of aqua regia. Mix the ingredients in the order given, and you are guaranteed a delicious taste treat.

In the accompanying illustration two of Mr. Dixon's eager students are shown grinding ingredients for Potato Schmaltzburg. Note the feigned unconcern of cat in lower center. He will constitute the main course. Hats off to Mr. Dixon's new course! Long may it flourish amid gastric splendor!

# DRAMATIC CLUB

Under the able direction of Mr. George Nevens, the Tilton School Dramatic Club enjoyed a highly successful season; highlighted by the moving tragedy *Submerged* and its companion performance *A Tragedy of Romeo and Juliet.* This skit should not be confused with Mr. Shakespeare's immortal work bearing a similar name. Both plays were favorably received judging from the reaction of the audience. Fred Hall brought the "professional touch" to *Submerged* with his stirring portrayal of a philosophical dreamer trapped in a submarine. Bruce Morrell, a hysterical coward, Robert Forrey, an impatient bully, Peter Sinz, a complacent fatalist, Dick Kiernan, a sacrificing leader and Allison Roulston, a lovesick cynic were well cast. The action of the play takes place in a sunken submarine at the bottom of the Atlantic Ocean. *Submerged* was followed by the parody, *A Tragedy of Romeo and Juliet,* which kept the audience in hysterics with the antics of Stuart Cohen (Juliet), John Hatch (Romeo) and Steve Camann the caustic janitor.

The officers of the Dramatic Club are Robert Forrey, president, John Hatch, vice-president, Charles Adams and Donald Miner, readers.

# OUTING CLUB

The Outing Club is the largest and most active organization in the School. Besides making trips to numerous mountains and the Tilton Outing Lodge, the Outing Club sponsors the Winter Carnival, the outstanding social event of the year. Members and guests enjoy the opportunity of spending weekends at the Lodge. This affords the boys the opportunity of living the life of a "camper" and enjoying such activities as hiking, boating and swimming. Mountain climbing plays an important part in the activities of the Outing Club, and most members have climbed several or more mountains such as Mt. Lafayette. The Club plans to climb Mt. Washington this spring.

Again this year the Winter Carnival was an outstanding success because of the combined efforts of the club. The schedule of events was completed and everyone enjoyed himself. The members of the Outing Club are grateful to Mr. Graham, our advisor, for spending so much of his time in guiding us.

# DOUBLE QUARTET

The Tilton School Double Quartet is not actually what the name implies, but an augmented Double Quartet as it has eleven members. It is about to complete another successful musical year. Among the members are two of last year's group and nine new vocalists. The Double Quartet has given concerts for the Women's Clubs of Lochmere, Laconia, Franklin and Tilton; at Peterborough for the American Legion Auxiliary, the Franklin Home for the Aged, and the Methodist Men's Club of Portsmouth. The group has appeared at such school events as Homecoming Day, Christmas Chapel, the Daniel Webster Christmas Party, the fall Sports Banquet and the Winter Carnival. In addition to these engagements they have sung many times in weekly chapel services.

The Double Quartet has been warmly received and heartily applauded for their interpretation and singing of such songs as "Jerusalem Morning," "Aura Lee," "Stars of the Summer Night," and the "Whiffenpoof Song." Whatever credit the Double Quartet has received is because of the patience, amiability and leadership of the director, Mr. Ambrose Saindon.

## WEAK START, STRONG FINISH!

After losing their first three contests against the best prep school teams in New England, the 1951 Tilton Rams made an almost unbelievable comeback. This comeback was composed of successive shut-out victories and it climaxed the varsity's season record at three wins and three losses. Undoubtedly the main factors which held the team together were its hustle and its spirit. Without these no team could win by such decisive scores after such a disheartening beginning. In early October, Tilton ventured to Exeter, New Hampshire to meet the mighty Phillips Exeter Academy. It was the opening game for both clubs and our boys were on the lower end of a 27-18 score. The following week we journeyed to Andover, Massachusetts, to tangle with the other Phillips Academy, Andover. Our invasion proved futile, though, and we were "smeared" 40-7. In Worcester, Massachusetts, the Rams were again defeated and this time at the hands of Worcester Academy, 20-0. At the "Homecoming Game" the tide began to change and the future brightened for the home team. Our opponents for that day were a highly publicized Brewster eleven from Wolfeboro, New Hampshire, a team which prior to the contest had been undefeated. After the battle it was a different story, because the Black and Gold ran wild and won 50-0. The next club to come to Tilton was Bridgton Academy from Bridgton, Maine. This team also had been previously unbeaten, but our boys put an end to that by whipping the Blue and White, 24-0. The final encounter of the year was with New Hampton School.

In the 54th annual game with our arch rivals we really poured it on. Starting early in the first quarter the boys began to roll towards New Hampton's goal line. The Rams scored twice in every period, except in the third quarter when we only tallied once. Those who figured in the scoring in this, the most important contest of the year were: Phil Richard, who charged over twice, Ken Coen, Bill Barlow, Tommy LaPlaca, Phil Montagano, and Bobby Lee. Some of the boys behind the scoring were: "Tweet" Pirozok, Dick Kiernan, John Gianakos, "Shellie" Coen, and Pete Georges. All in all it was the combined teamwork of the whole squad that made this victory, along with the other ones, possible. Who taught us this teamwork? It was mostly through the efforts of Steve Slayton, with the assistance of George Nevens, that the varsity learned how to work together as a unit. Thanks to the coaches, we were able to win the games we did.

## TILTON J. V. FOOTBALL TEAM HAS GOOD SEASON

The Tilton Jayvees under the able coaching of the late Coach Gulnac had one of its better seasons winning two while losing one and tying one. Ross Artus, the capable quarterback, led the Gulnacmen throughout the season. He stood out not only in running and passing, but also on defense. Tilton started off against the Laconia Jayvees on our athletic field. The two teams played to a scoreless first half, but in the third and fourth quarters Artus hit Harry "Glue Fingers" Morse with two passes both good for touchdowns. Tilton's defense led by DeCicco and Mansolillo held the opponents scoreless. Tilton won 14-0. The second game was played at Holderness and even though Tilton lost, 12-6, the Rams played a terrific game. Root scored the only Tilton touchdown, and French and Stoffegen kept the opposition from going through the line for long gains. Much credit was given to Coach Gulnac who completely fooled Holderness by changing his offense in the second half. Next Tilton played New Hampton, their biggest rivals down at the athletic field! New Hampton scored once in the first half and led by 6 points until Ross Artus returned a punt 60 yards for a T. D. That was all the scoring for the afternoon, and the game ended in a 6-6 tie. Tilton outplayed their opponents, but were not able to score once they got the ball inside the 20 yard line. Root and Artus led the Tilton offense; Lowe and Ross were the defensive stars. Tilton finished the season against New Hampton on the latter's field. We outplayed New Hampton in the first half and thanks to Bob Artesani's 20-yard sprint for the T. D. Tilton led 6-0 at the half. Lowe, French, and Phinney stopped New Hampton's defense altogether in the first two quarters. In the third quarter Tilton scored as Root and Artus carried the pigskin the length of the field, and Artus then swept around end for the touchdown, with Mansolillo and DeCicco throwing the key blocks. Tilton now led 12-0. Late in the fourth quarter the grand finale of the season came. Two underclassmen, Pryor and Adams, combined for the last touchdown as Adams threw a 15-yard pass to Pryor, who caught the pigskin in the end zone. The final score was 18-0 in favor of the Tilton J. V.'s.

The season was a great success. Many good prospects among the underclassmen were seen this year. Lee, Wilson, and Pryor looked especially promising.

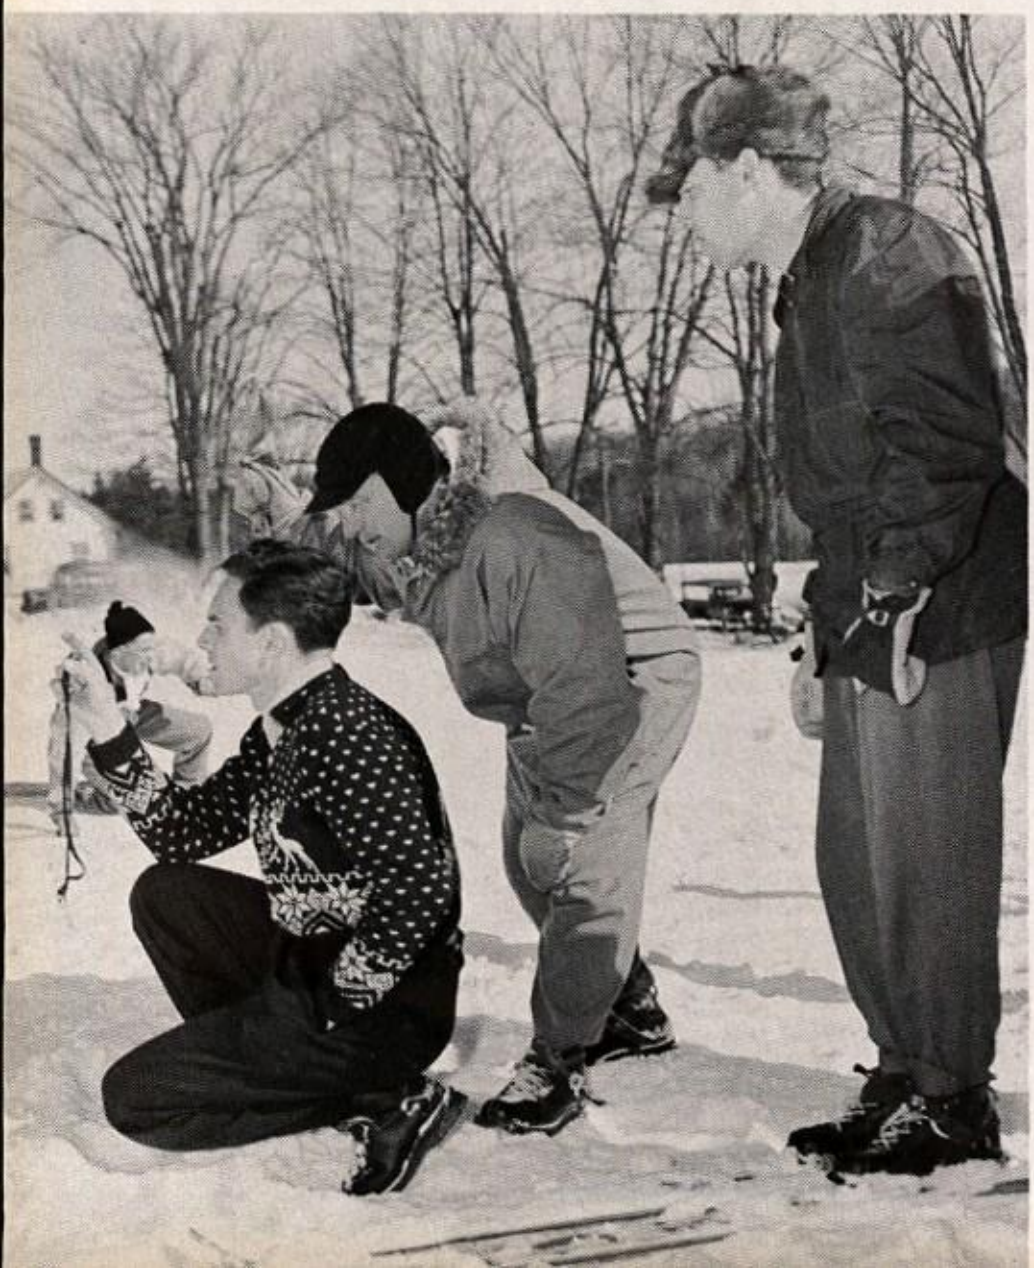
# SOCCER TEAM

Under the capable guidance of coaches Jay Perkins and P. J. Ranhoff, the 1951 Soccer Squad compiled a record of three wins, two losses and one tie. The opening game was played at home with a favored Clark squad which ended in the only tie of the season. Tilton lost the next game to Brewster with a score of 0-1, however, upon their invasion of the home grounds we defeated them by a score of 4-1. Our battles with New Hampton ended in a victory for each squad, and the scores were 1-3 in favor of New Hampton and 2-1 in favor of Tilton. The last game of the season with Clark ended in a victory for the Rams with a score of 2-1.

Captain Silvius, Espinal and Gaulton were the outstanding players on the squad, who together scored seven out of the ten goals. Other consistent players throughout the season were Gates, Gibbs, Guy, Hokanson, Huntley, Huestis, Patterson and Pujals. The teams encountered provided good competition, but with enthusiastic playing throughout all of the games the Rams enjoyed a successful season.

*Left to right:* Donaghy, Johnson, Mr. Ranhoff, Huntley, Cowles.



# SKI TEAM

With excellent skiing conditions throughout the winter the Ski Team was able to compete in six scheduled and several open meets. The Winter Carnival and U.S.E.A.S.A. Prep School Championships were the highlights of the season. "Little Tug" was in excellent condition for the Carnival with Proctor, K.U.A., New Hampton, Deerfield and Brewster competing. Proctor won the overall meet and Carnival Trophy along with the individual cups for downhill and slalom. The cross-country cup was won by K.U.A.

The Third Prep School Championship was held at Mt. Moosilauke with fourteen schools participating. Johnson, Donaghy, Cowles, Eckert, Inman and Huntley represented Tilton. The teams were entertained at the Dartmouth Outing Club Lodge Friday evening and the meet was held on Saturday. Downhill and slalom races were held during the morning and jumping and cross-country in the afternoon. Although Tilton came in next to last, this year's team scored more points than last year's. Competition was much stronger this year with more schools attending and taking part in the meet.

The lack of skiing ability in the school made it difficult to mold a team which could be called "properly trained" for entry into the various meets. Those who did join the Ski Club improved during the season under the able guidance of the Ski Coach, Per Jan Ranhoff.

The Tilton varsity again received an invitation to the New England Prep School Tournament, but had its dreams of glory interrupted by Maine Central. Despite the loss of the post-season contest, our boys had a fair season with a record of four victories and seven defeats.

The first "tap-off" of the year was with an experienced Phillips Exeter quintet. The Rams displayed weaknesses in all positions and lost by a score of 62-45. After Christmas vacation the club from Grenier Air Force Base came to Tilton and defeated us 77-58. Our first win was at Lawrence. The game was an exciting one and not decided until Ross Artus dropped in a "lay-up" to make the final score 57-56. But we did not remain on the winning side long as we next were taken by Bridgton, 63-56, and New Hampton, 76-75. Down at Phillips Andover we beat the Blue and White 57-54. The annual Winter Carnival "scrap" with New Hampton was played before a full house and though our opponents played an outstanding game, they could not match the spirit of the Ram five. With ten seconds left to play, Artus sank a hook shot to clinch the victory, 73-72. Following the Carnival game we returned to the loss column by a defeat to Lyndon Teacher's College, 77-61, and a second loss to Bridgton, 81-68 ended the regular season. However, we received a notice announcing a play-off game with New Hampton for the privilege of representing New Hampshire in the New England Tourney. We met the Green and White at Phillips Exeter and edged them, 66-64. It was a typical Tilton-New Hampton affair with plenty of action. Bobby Lee was "The Man of the Day" because of his winning basket. Four days later the Rams were knocked out of the tournament by Maine Central Institute. The contest was close the first half, but our squad fell apart after intermission. M.C.I. won, 64-41, and it was the least amount of points Tilton scored during the year.

Ross Artus was elected Captain of the 1951-52 club and proved the team's faith in him by being high scorer with 170 points. Bill Barlow was the only other player scoring over 100. The averages of the starting five show how the boys played as a unit. Artus had a 14.2 average per game, Lee 11.6, Barlow 10.8, Sykes 10.5, and Cumming 7.3. A big improvement to the squad was the addition of Charlie Sykes. He filled the gap as guard and won favorable comments for his smooth ball-handling and rebounding. John Cumming stood out on defense and eased many of the tight spots. The substitutes who deserve recognition are Kenny Coen, Harry Morse, and Roger Wilson.

The whole team should be congratulated for its fine showing. Much of the credit must be given to coaches Gulnac, Slayton, and Carbonneau.

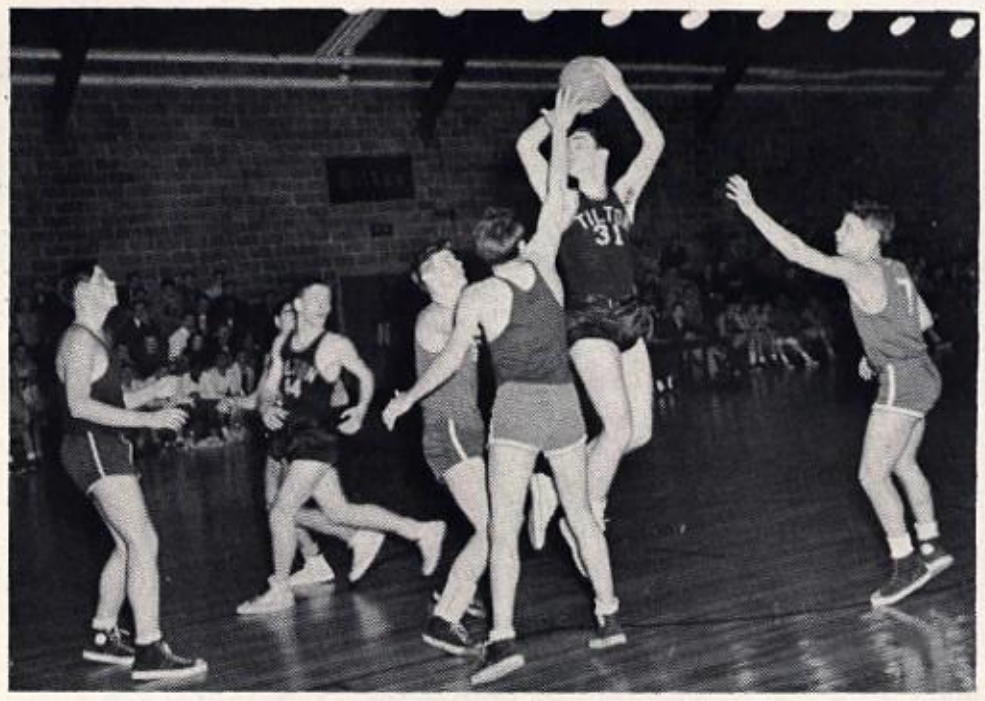
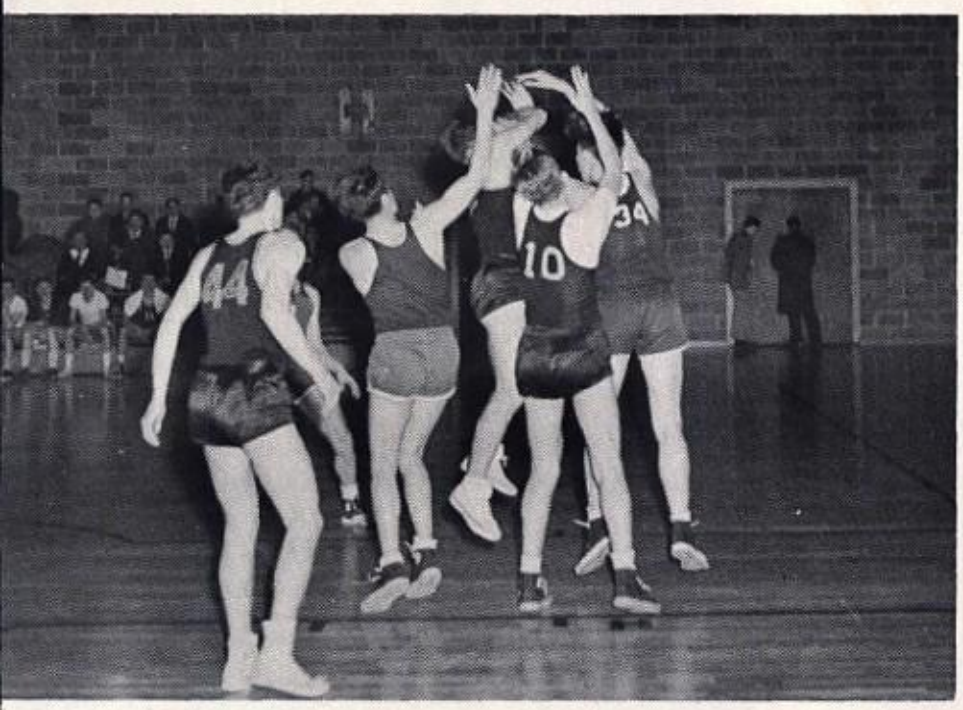
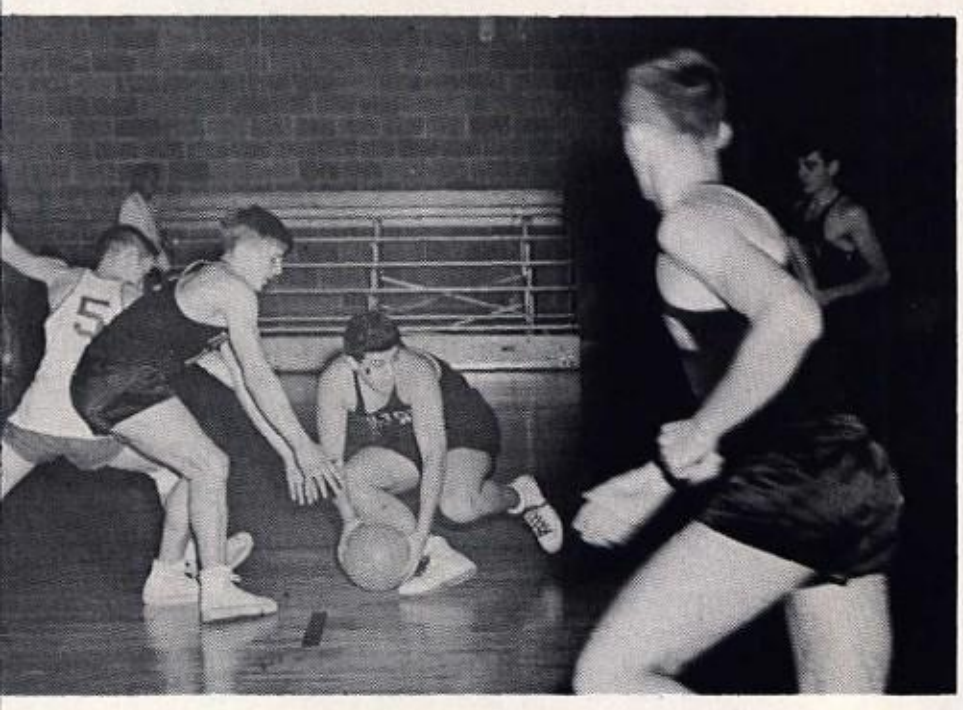
## Junior Varsity Has Sensational Season by Winning Ten Straight Games

The Tilton J.V. basketball team had a successful season boasting a record of ten victories and one defeat, which, incidentally, was the first game of the year. Much of the credit for the fine record must go to the coaches, Mr. Nevens and Mr. Selvin. There were no stars, but the boys played together to win, which they usually did. Al Boren, Fritz Pryor, Pete Gaulton, Dewey French, and Tommy Leidner were the starting five.

The season started out with a defeat to Laconia High varsity by a score of 64-38. Then the Little Rams began to roll as they "knocked off" Laconia J.V.'s by 18 points. The Holderness game was a thriller. Tilton was behind 12 points at the beginning of the last quarter, but by spirited playing caught up and went on to win, 47-41. Gaultón scored 9 straight points at the crucial moment of the contest, and this spurt proved fatal for our opponents. The game with Lawrence Academy was an easy victory, 48-26. The Clark team was a stubborn one, but we won, 40-39, thanks to Shepard's last second shot. Our next four games were easily captured by defeating New Hampton and Belmont High on successive days, and New Hampton again at the Winter Carnival. Hampered by the small court the J.V.'s played a poor game against Holderness when the two clubs met for the second time. The last quarter was once more "our quarter," and the score was 38-34 in Tilton's favor. The climax of the year was a scare for the Black and Gold. We were leading Clark by 18 points at the half, but they came back fast in the last two stanzas and tied the game at 40-40. There was a three-minute overtime period in which the home team managed to go ahead, and thus preserve its winning streak. French and Boren were elected Co-Captains at the beginning of the season. Among the promising underclassmen returning next year are Pryor, Chertok, Norm Wilson, Einstein, and Shepard.







# HOCKEY

*Left to right:* Halper, Mgr., Nager, Mgr., Morgan, Bain, Hokanson, Zallen, Donaghy, Zschau, Inman, Espinal, DeCicco, Silvius, Raffaelly, Root, Mr. Sawin, Worgan, Mgr.

Although this year's season was by no means spectacular, Tilton School can be proud of the fighting spirit and good sportsmanship displayed by its team. The opening game against Bridgton Academy was played without prior practice and the resulting score was 15-2 in favor of Bridgton. In this game Pablo Espinal and Phil DeCicco scored one goal each. We showed Brewster Academy what a little practice can do by defeating them by a score of 4-2. On this occasion Phil Richard and Jack Inman were the scorers. Our game against Lawrence Academy turned out as a 5-2 loss for Tilton. We will just mention the New Hampton games in passing because we lost both of them. Do you think we should elaborate? When we played Keene Teachers College, however, glory returned to our team as we emerged from this battle wearing the laurels of a 5-2 victory. The scorers were, Jack Inman, Dick Donaghy and Bob Raffaelly; Dick DeBlasio and Bill Zschau played an excellent game.

The highlight of the season was the closing game played against U.N.H. freshmen on Winter Carnival Saturday. Before a record breaking crowd the Rams beat the "Wildcats" by a score of 6-3. Credit for the win goes to Frank Root, our goalie, who played an excellent game, and to the outstanding defensive combination of Phil DeCicco and Bob Silvius. Jack Inman was high scorer for the season with 15 points and Phil Richard second with 10 points. Bob Silvius, Phil Richard and Jack Inman took turns acting as captains this season. We extend our thanks to Coach Sawin for his fine coaching and wish him many more successful seasons.

# Homecoming Day

Our annual Homecoming Day was held on Saturday, October 27. Tea was served in Pillsbury Hall where faculty, students and friends of Tilton gathered to renew old acquaintances. Several hundred alumni and parents were present for this delightful occasion, and many of them remained for dinner. After dinner the Double Quartet presented several selections which were well received. The Homecoming Dance was held in Pillsbury Hall, which was enjoyed by both alumni and students, and refreshments were served at intermission. Pillsbury Hall was properly decorated for this event and we feel that Homecoming Day 1951 style was one that will long be remembered.

# Christmas Party

The annual Christmas party for the boys of the Daniel Webster Home in Franklin was held on December 17. The boys, about thirty in number, arrived around four o'clock in the afternoon, and were met by "big brothers" from the Student Council. After being shown around the campus they were taken to the new Memorial Gymnasium where they watched an exhibition on the parallel bars which was given by Philip Claxton, William Morgan and Frank Yates. After this event the boys were taken to the old gymnasium where a thrilling parody of Romeo and Juliet was presented by the Dramatic Club. John Hatch, Stephen Camann, Stuart Cohen and Thomas Leidner were well cast, and their interpretation of Shakespeare was warmly received.

Next our Jazz Band entertained the youngsters which they seemed to enjoy. The band consisted of John Cheney, Philip DeCicco and Peter Gaulton. Also, the Double Quartet presented several selections to the enjoyment of the young group. In addition to this program, Frank Root amused the boys with his banjo, and group singing was enjoyed.

At six o'clock the boys were taken into the dining room by their "big brothers" and seated at gaily decorated tables. A meal befitting the occasion was served by Mr. and Mrs. Quinney. After dinner, when the group had again gathered in Pillsbury Hall, the big moment came when Santa Claus arrived (Richard Kiernan). Santa greeted each boy and presented him with a present. When the gifts had been presented, Santa departed, and the boys shortly followed with memories of a wonderful party. The Student Council in cooperation with Mr. Perkins did an outstanding job in this undertaking.

# Winter Carnival

The 29th Annual Winter Carnival was held on the weekend of February 15-17 with the weatherman cooperating by providing an ample amount of snow for sculpturing, and clear skies during the gala event. It opened by a Reception and Tea Dance which was held in Pillsbury Hall. The hall was attractively transformed into a French street scene which drew many favorable comments. Friday evening our basketball squads met our arch rivals from New Hampton on our home court, and after two thrilling games sent them home smarting from a double defeat. After the games a Winter Evening was held in Pillsbury Hall and refreshments were served. The Double Quartet and School Band performed admirably for the informal gathering.

The Ski Meet was held Saturday morning with Brewster Academy, Clark School, Kimball Union Academy, New Hampton School, Deerfield Academy and Proctor Academy participating. The overall meet was won by Proctor. The snow sculpturing prize was won by Jim Huntley and Dick Miller for erecting a St. Bernard dog. Coach Sawin's hockey team defeated the U.N.H. sextet by a score of 6-3.

The Carnival Banquet was held Saturday evening. A sumptuous meal was served to a capacity dining room which was gaily decorated for the occasion. The Carnival Ball was held in the old gymnasium and was a complete success. The Grand March was led by Dr. and Mrs. Crompton at which time the judges picked the Carnival Queen and her court. The Queen was crowned by Mr. John A. Terrill. Miss Carol West was chosen Queen and her court consisted of Miss Denise Ring, Miss Louise Kent, Miss Dunster Pettit and Miss Peggy Gabelein. The escorts of these young ladies were Tony Alba, Phil DeCicco, Ken Johnson, Bill Shepard and George Miller respectively.

Sunday afternnoon the Carnival came to a close when coffee was served in Pillsbury Hall. Mr. Graham and the members of the Outing Club should be proud of their Carnival. They provided us with a splendid weekend of sports and social activities to say nothing of the young debutantes that graced the campus.

*Phil Richard* leaves next year's eligibility rule to Mr. Slayton.

*Frank Root* leaves nothing. He's saving it all for the rich widow who will be his wife.

*Al Settlow* leaves both of his history classes to his "dear ole" teacher, Mr. Nevens.

*Bob Silvius* leaves his five languages to anybody who can handle them.

*Dick Stoffregen* leaves a pack of cigarettes to Paul Sport.

*Art Thomson* leaves his Navy life to Bob Pinchesky.

*Dean Westover* leaves the school stationwagon to Bob Eckert. (If there's anything left of it.)

*Roger Wilson* leaves his position on the basketball team (right end of the bench) to anyone who wants it.

*Joe Wise* leaves his basketball sneakers to Ben Chertok.

*"20 Questions" Zallen* leaves his alarm clock to anyone who doesn't have privileges.

What, Mrs. C.?

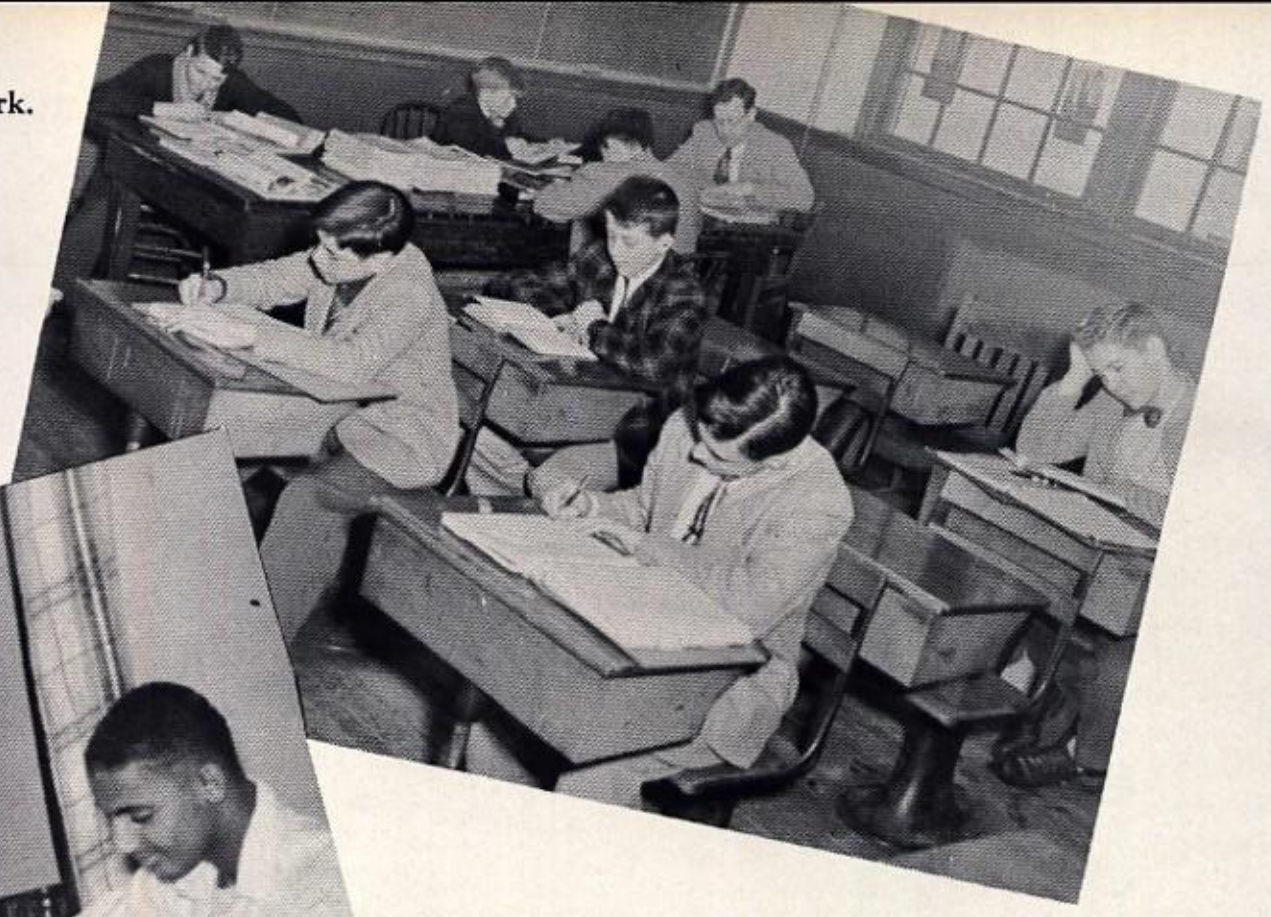
Itchy nose.

Losing again, coach?

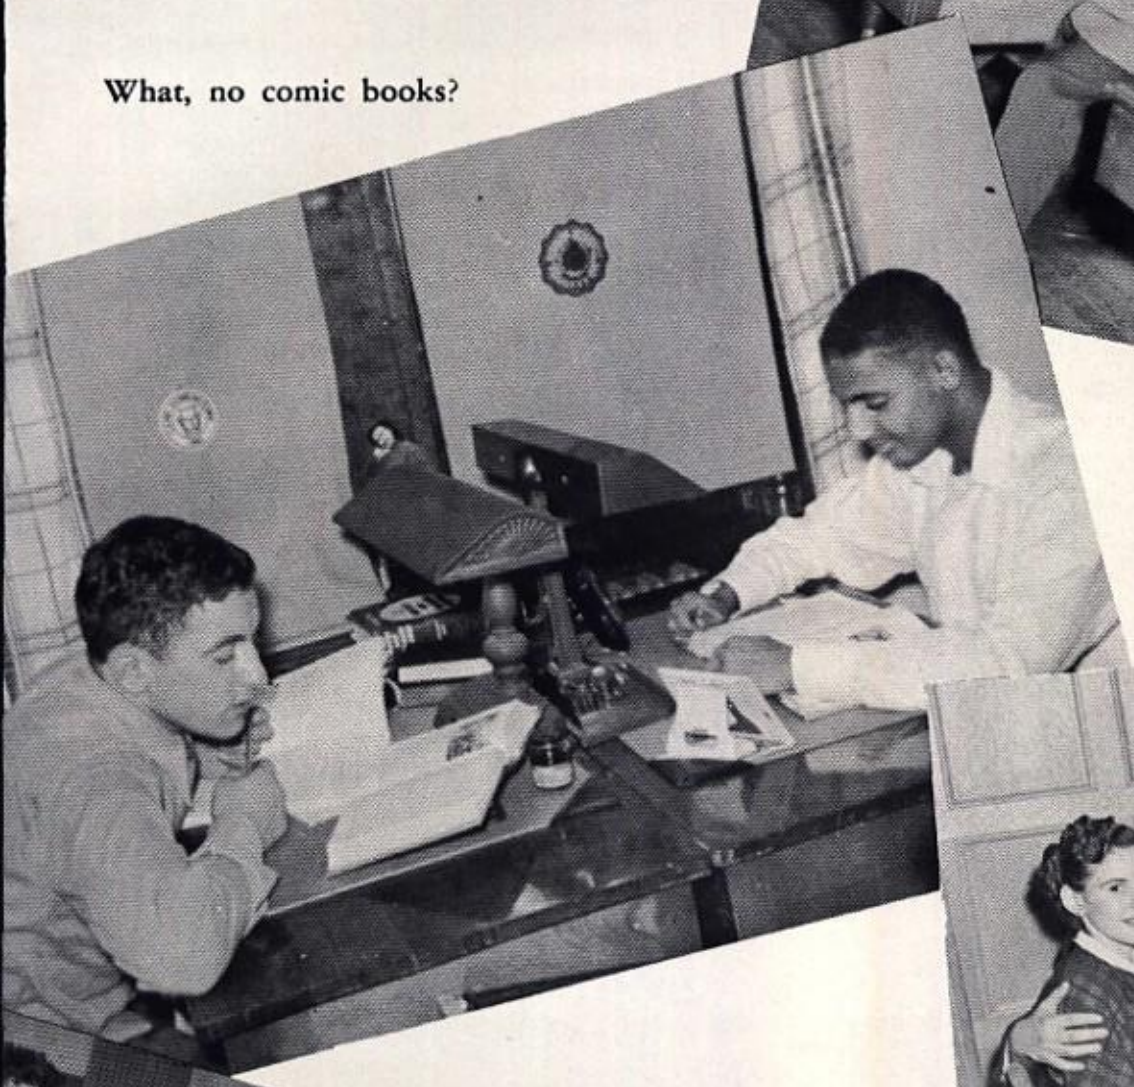
Easy does it, Moose.

Swing your partner.

Feverish little brains at work.



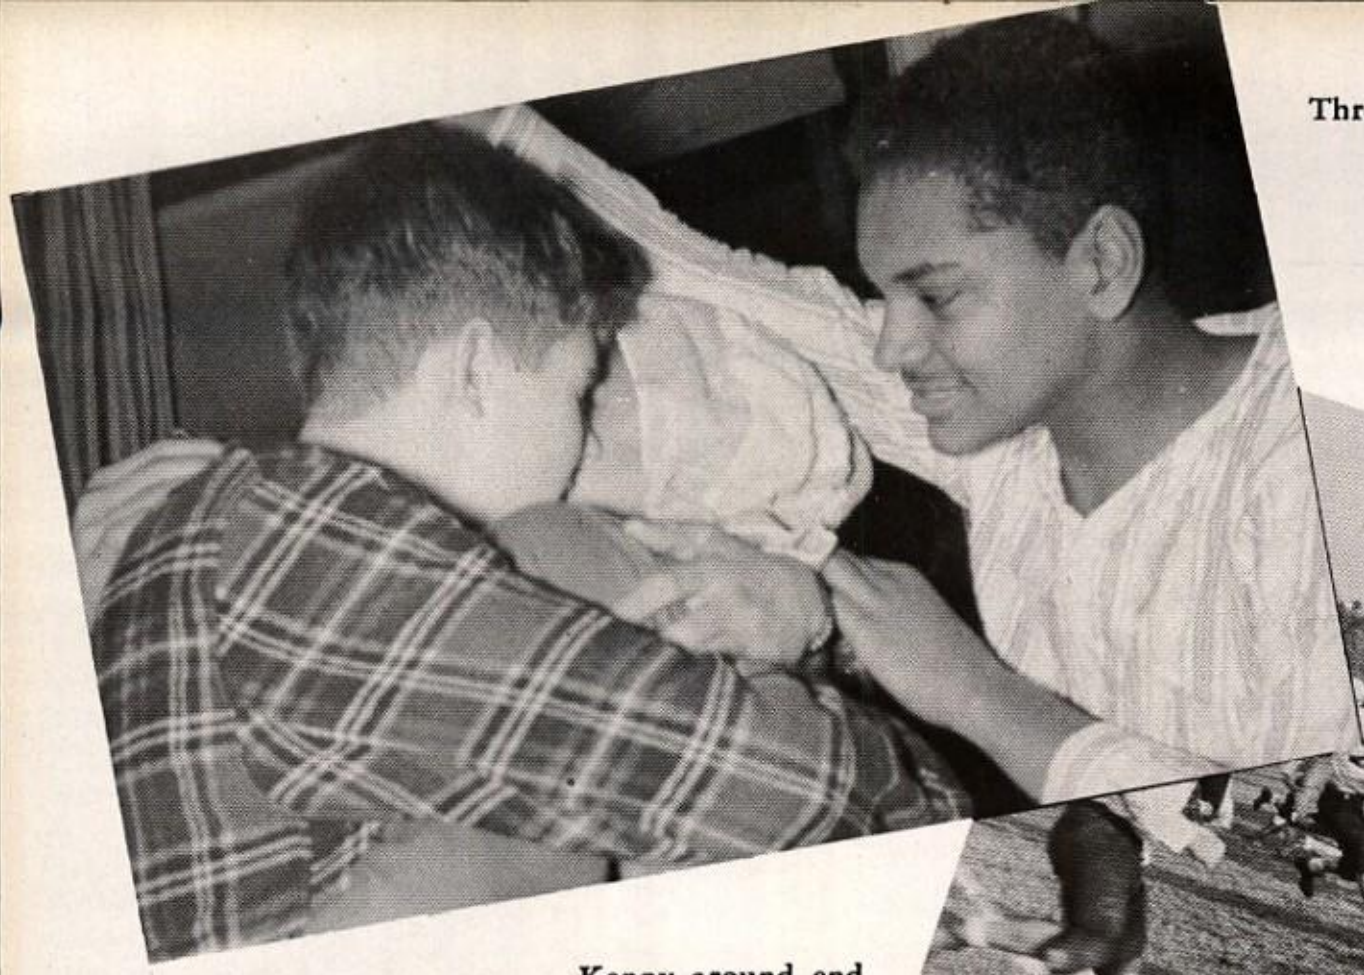
What, no comic books?



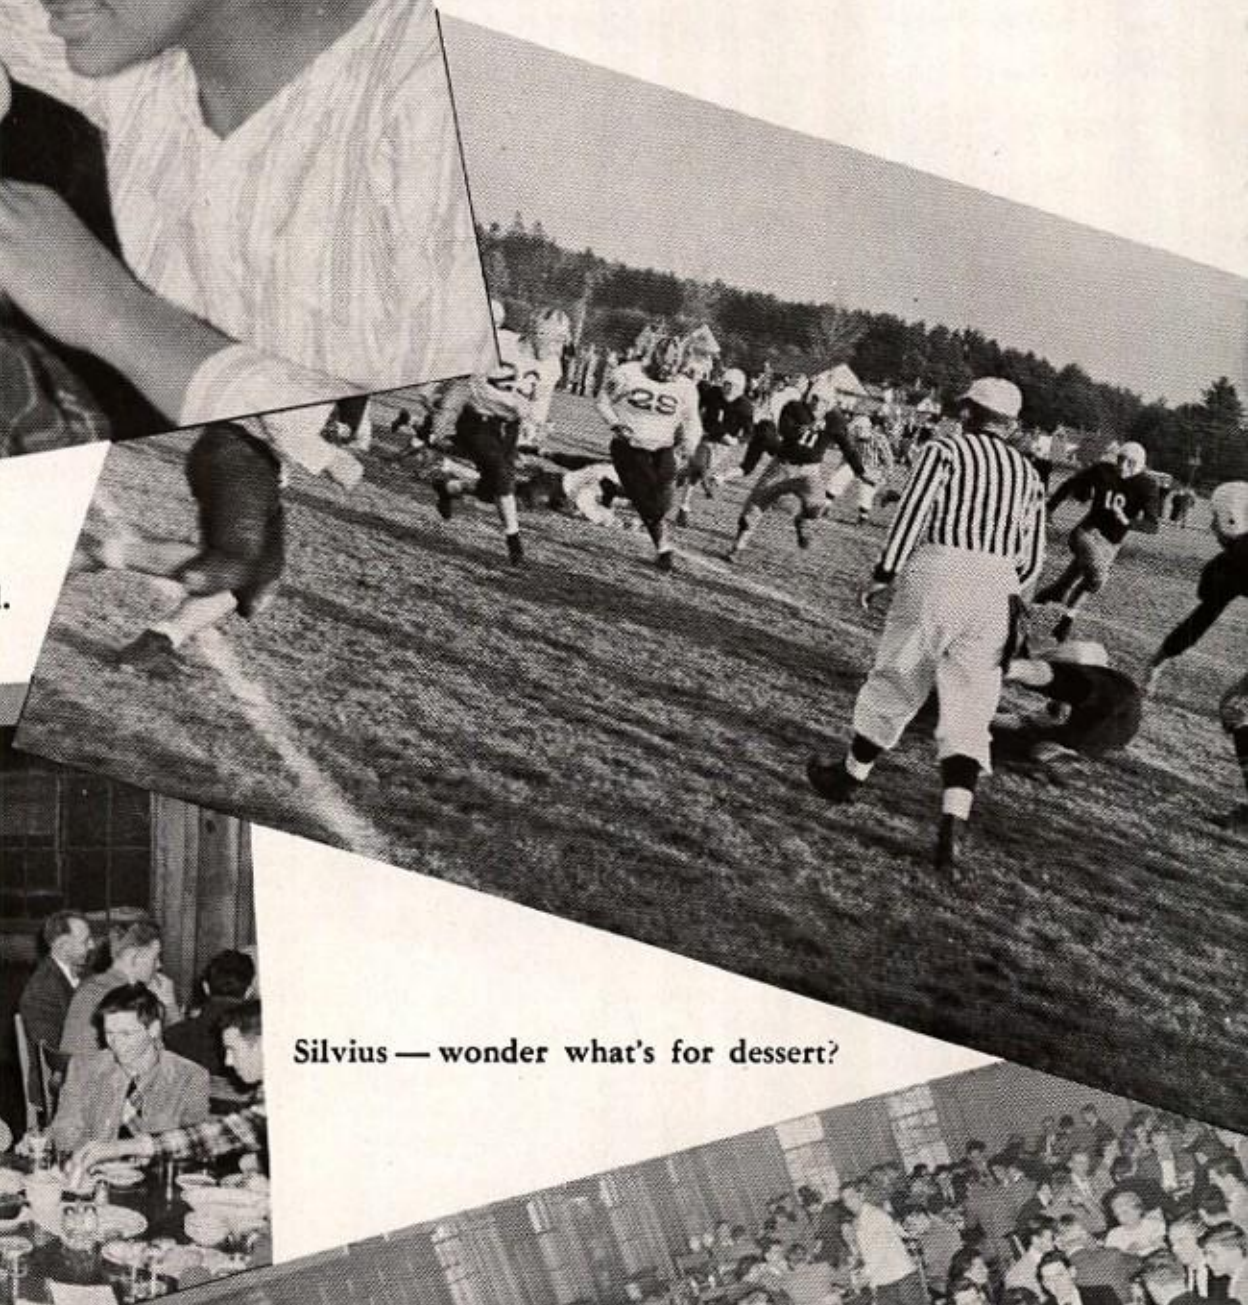
Having a good time.

Tet-a-Tet.

It's a bird.



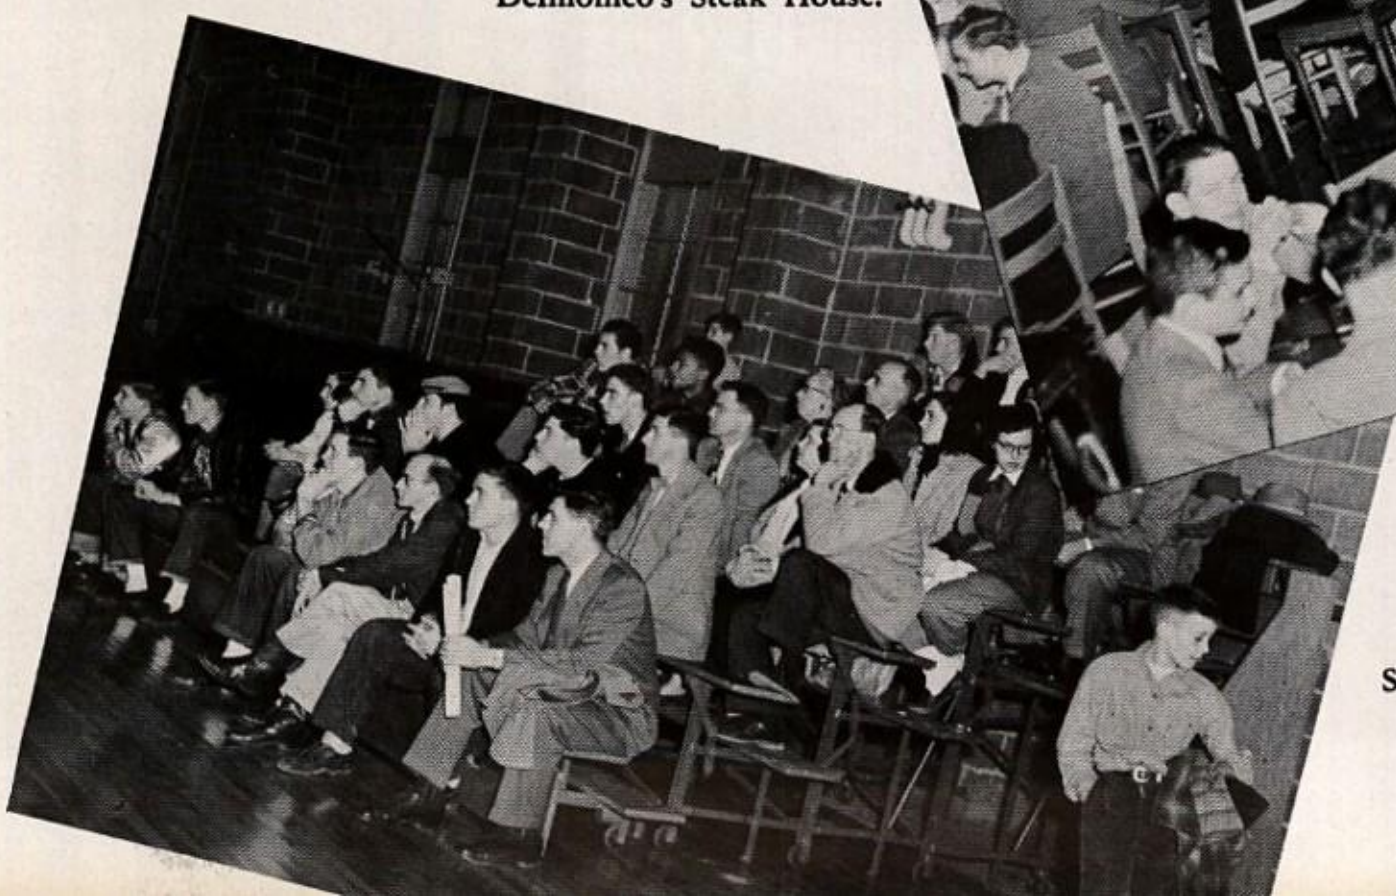
Three's a crowd, Fritz.



Kenny around end.

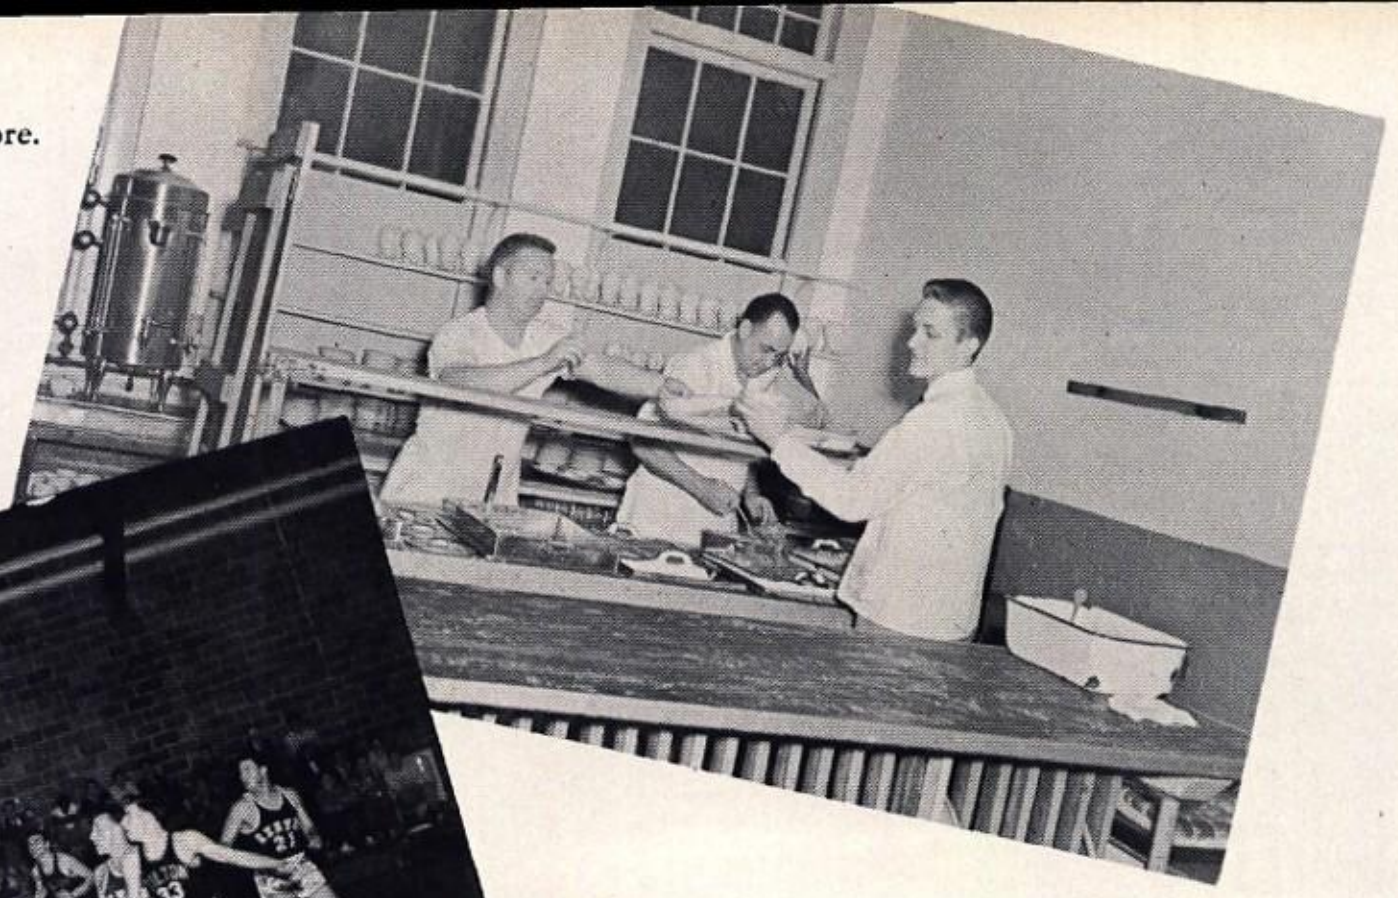
Silvius — wonder what's for dessert?

Delmonico's Steak House.

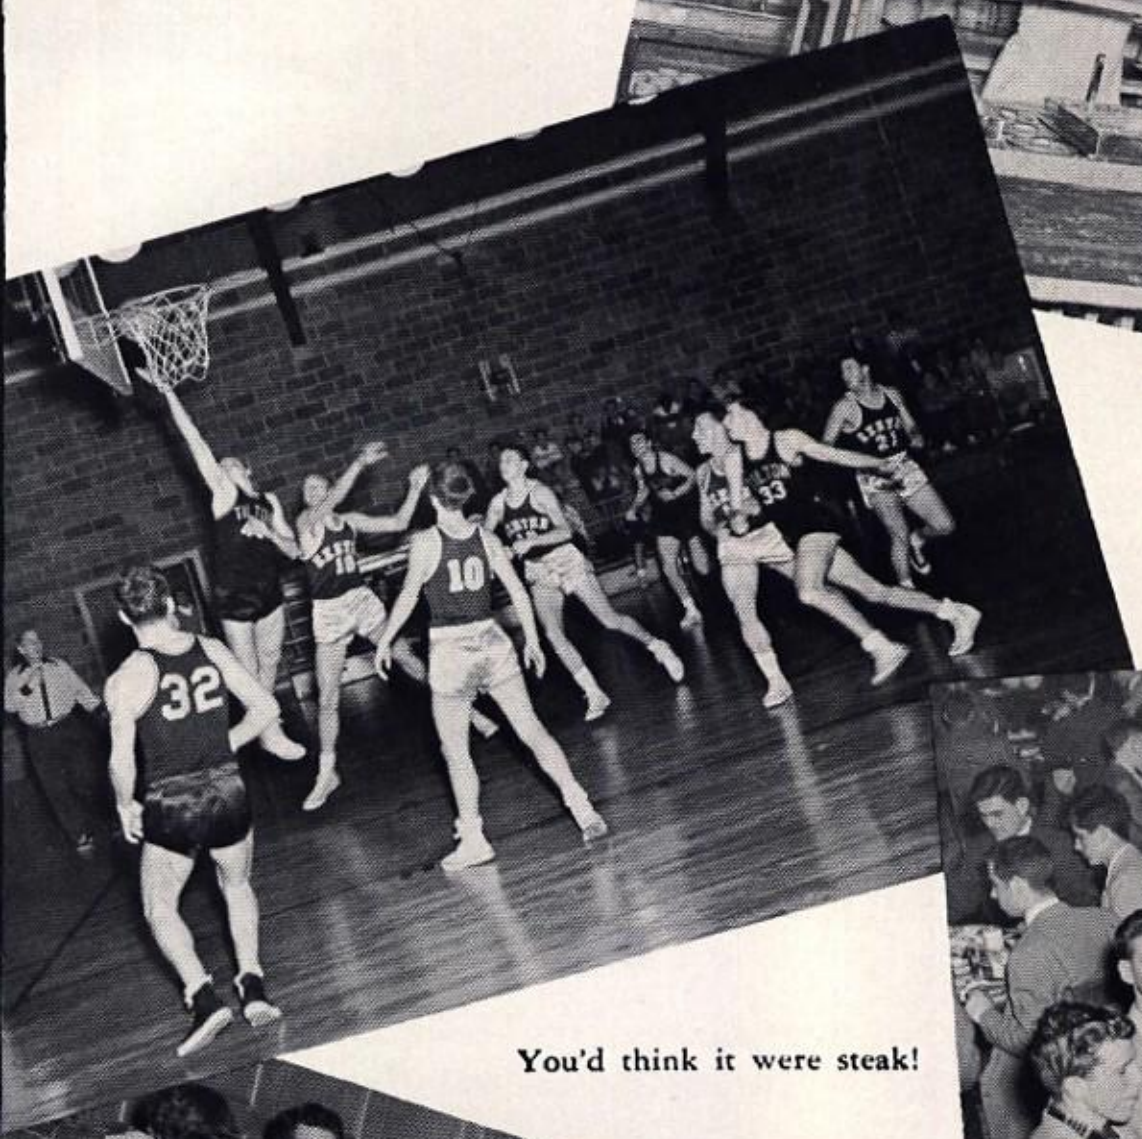


Score 58-58.

Slop on some more.

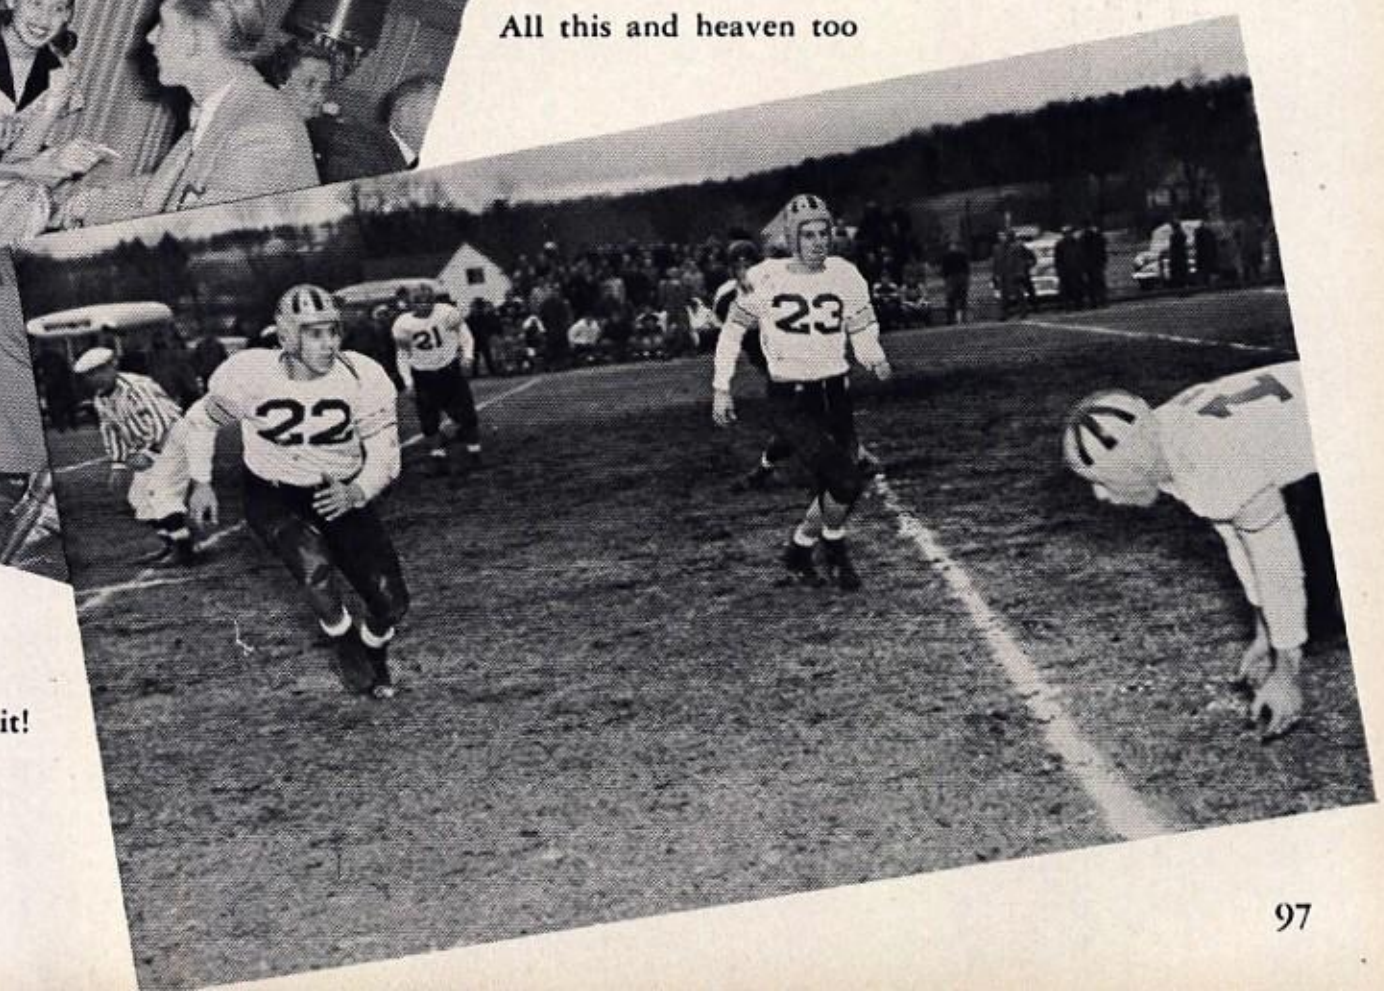


Reach!



You'd think it were steak!

All this and heaven too



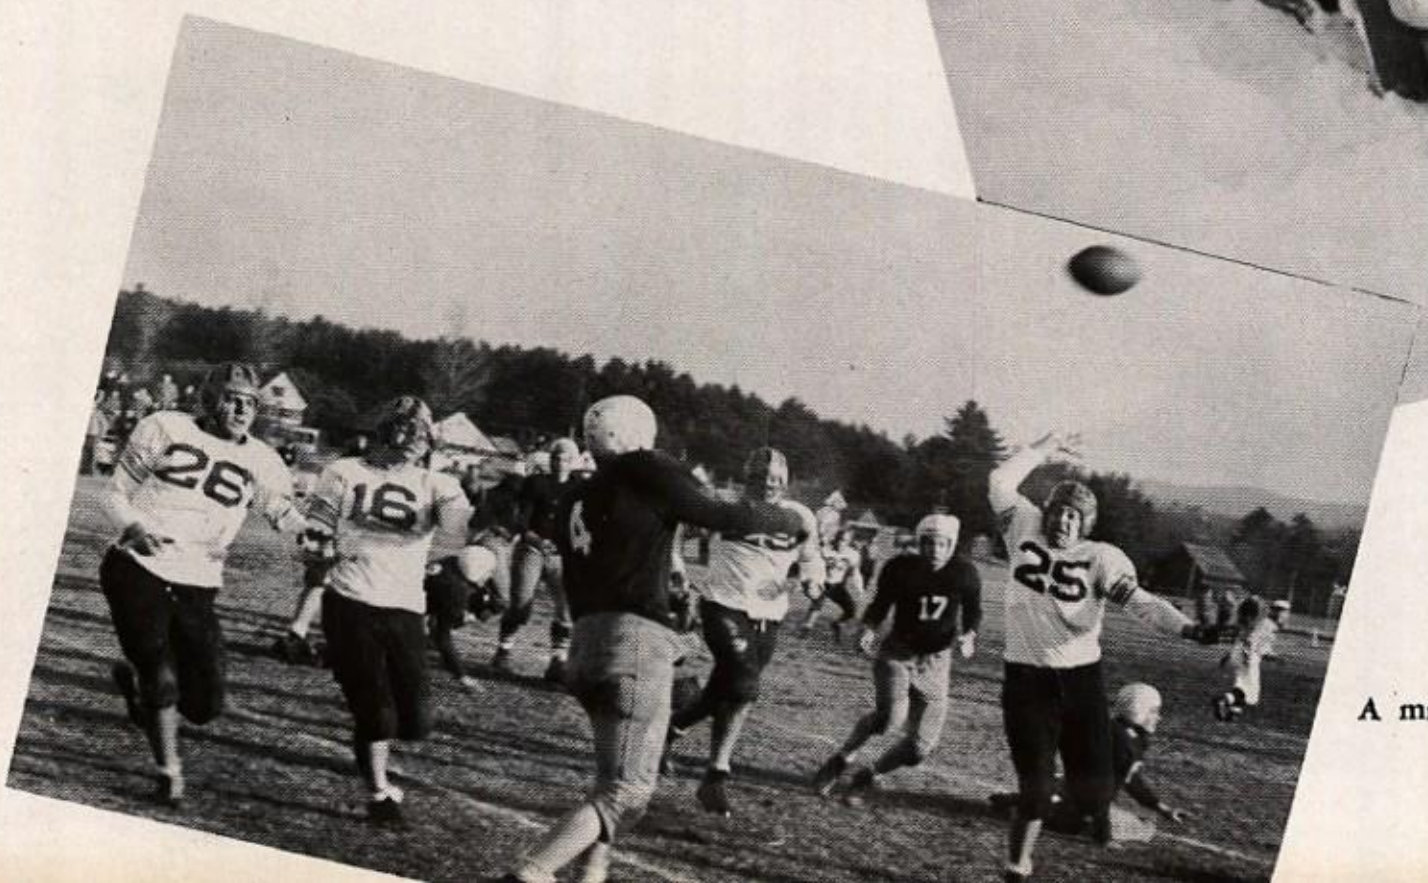
Yipe, missed it!

C'mon boys, jazz it up.

C'mon Norty, laugh.

$X + 4 = 5$, find X.

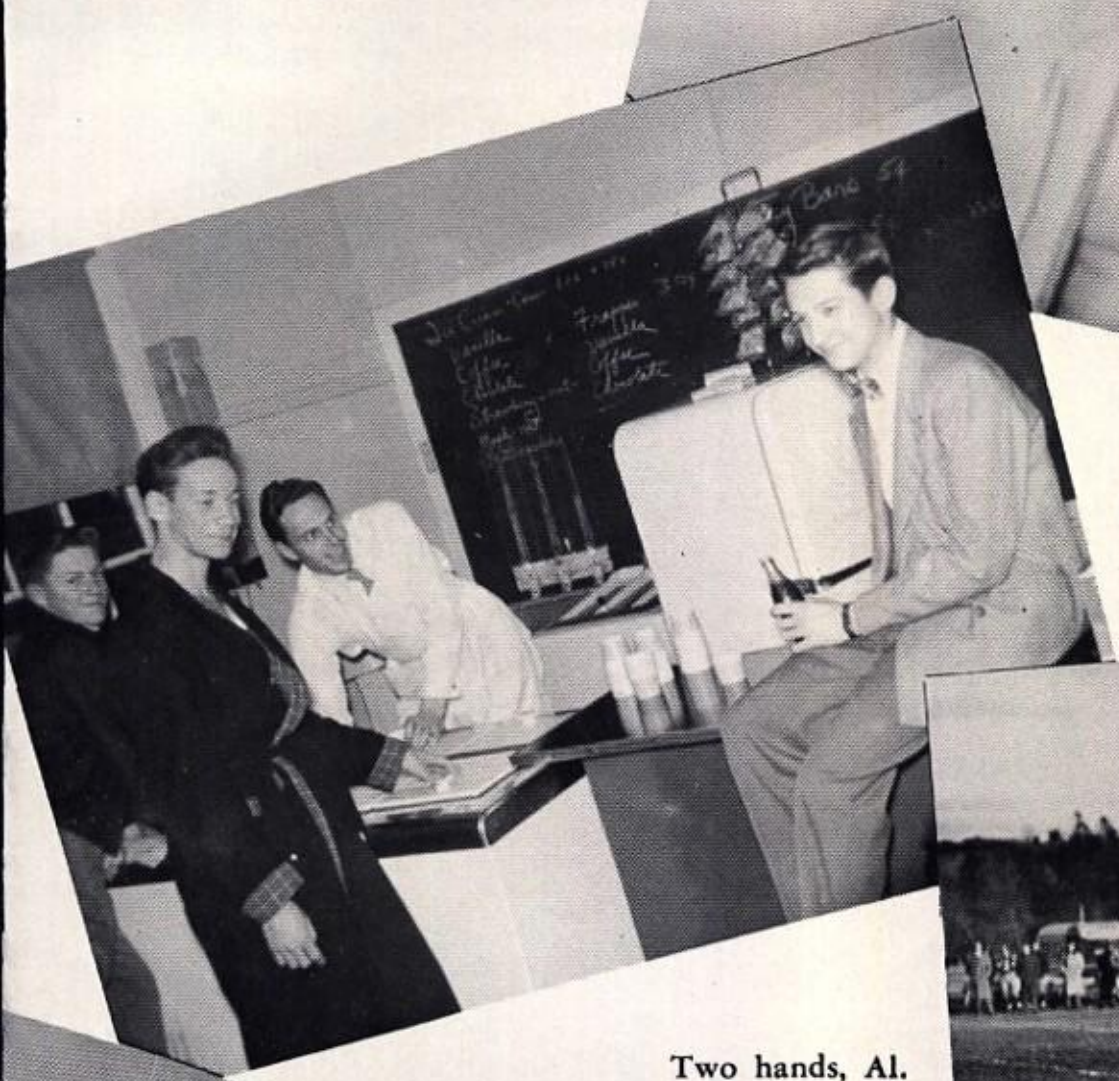
Florida last summer, N. H. now. — nuts!



A mite higher Stewie boy.

Conscientious.

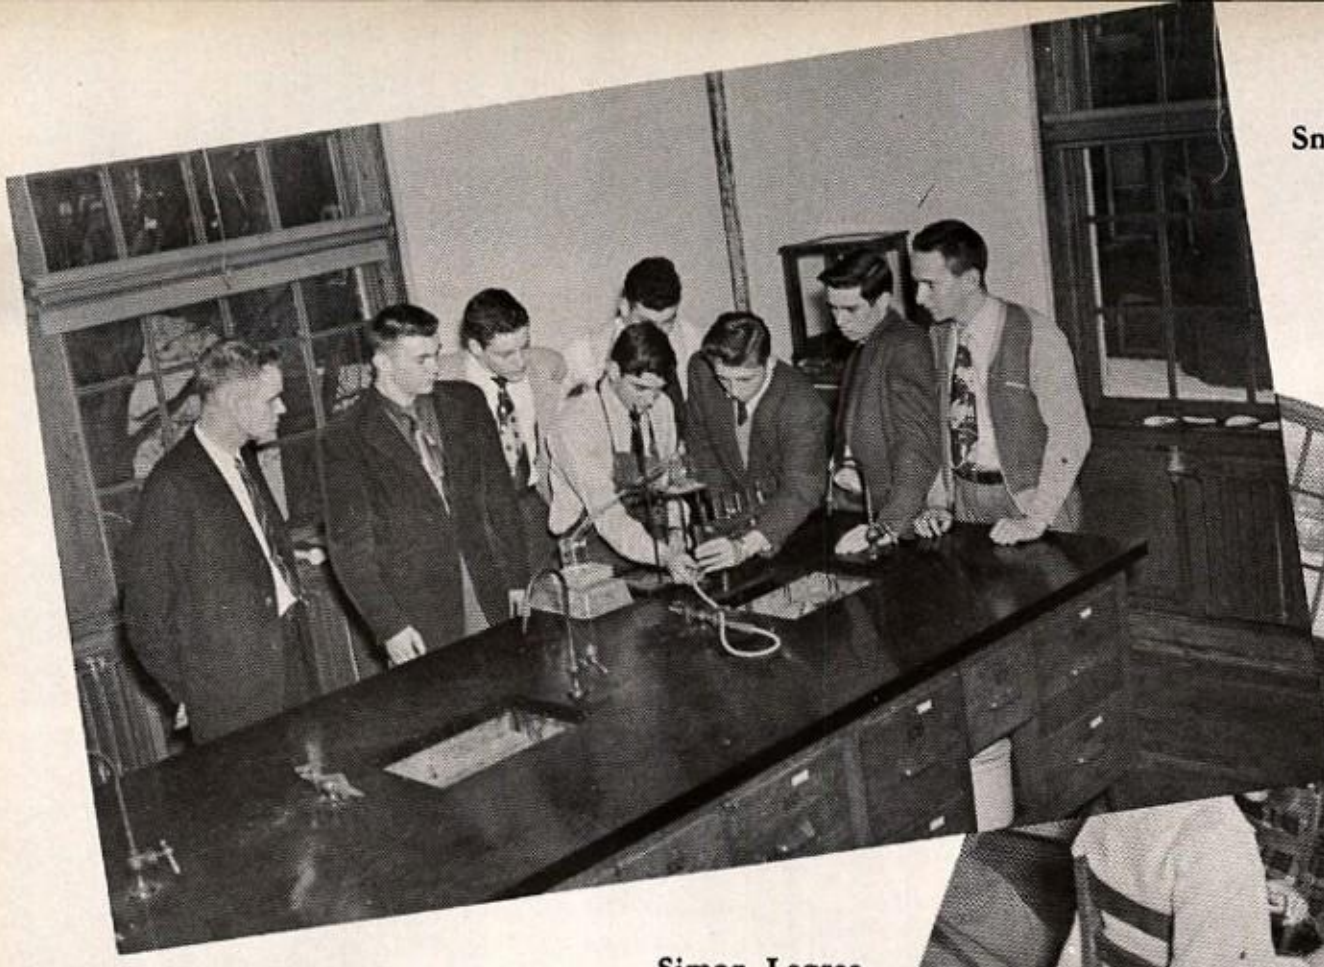
Sad Sacks and P. J.



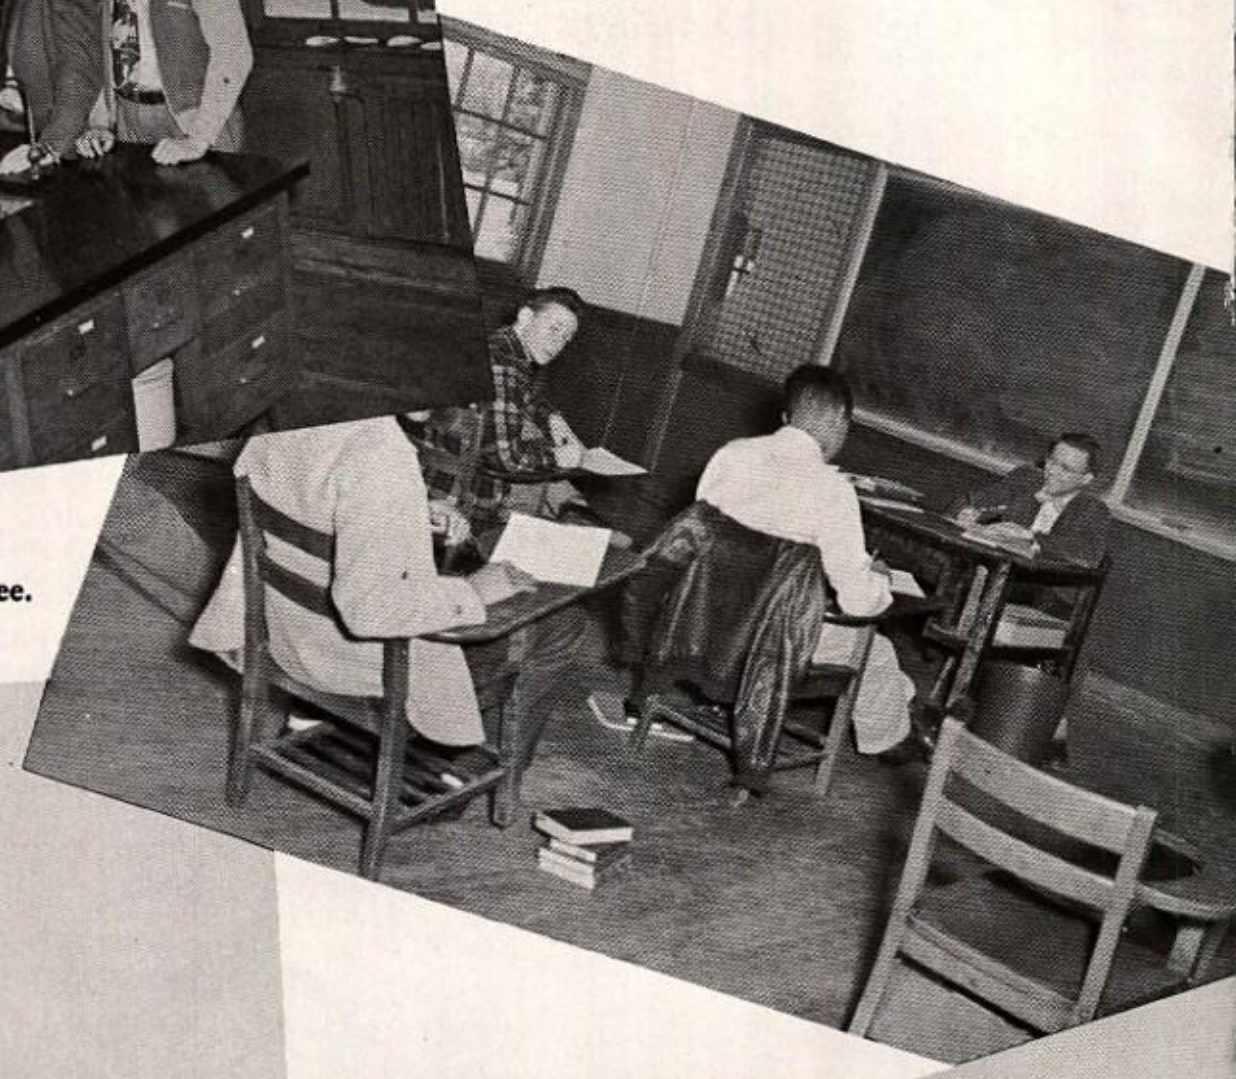
Two hands, Al.

Who was President during the Civil War?

How's it work, Monty?

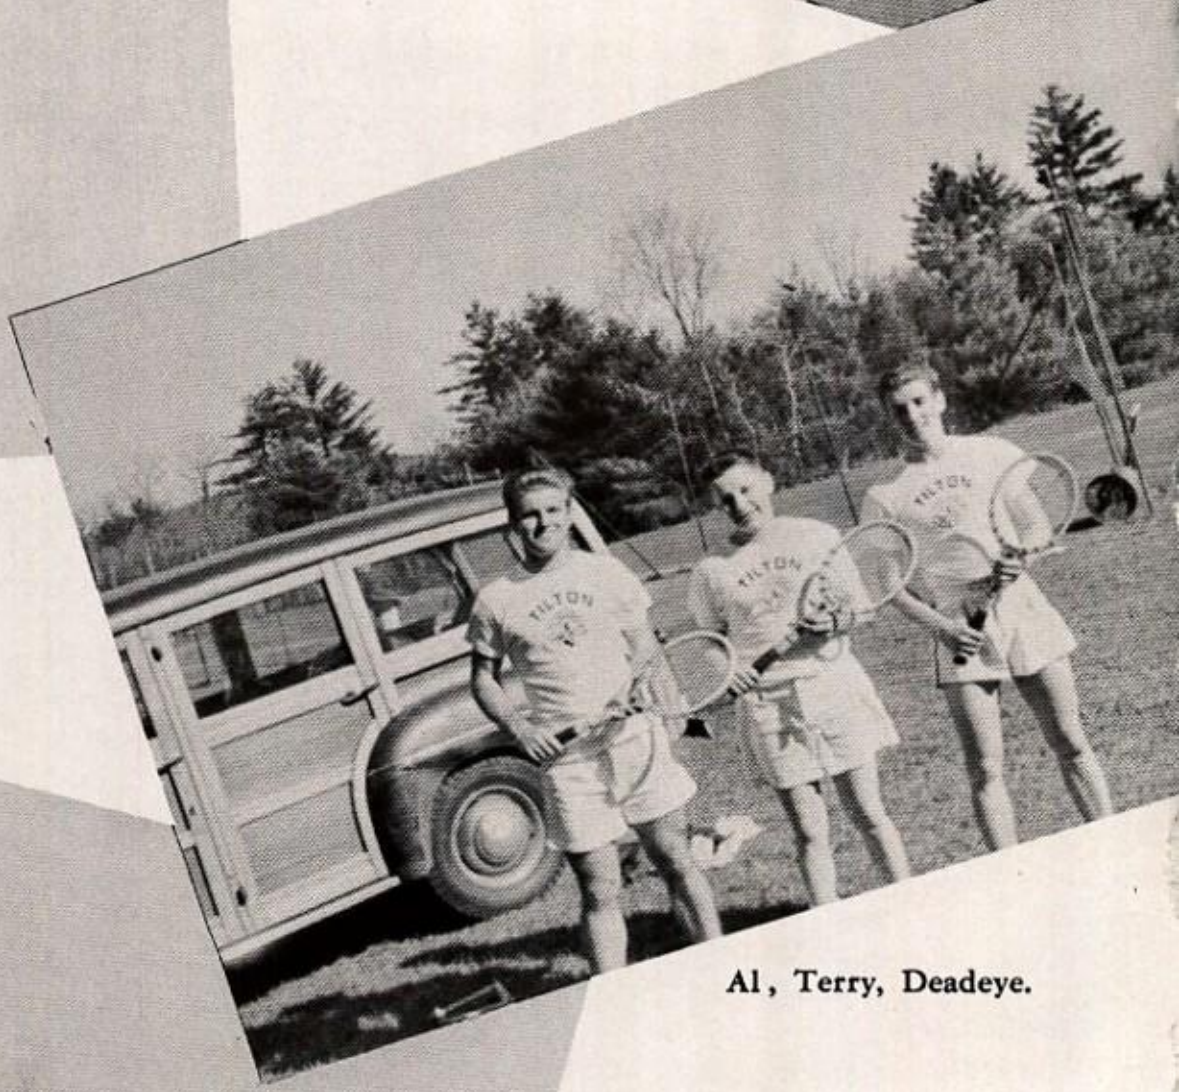


Snap experiment.



Simon Legree.

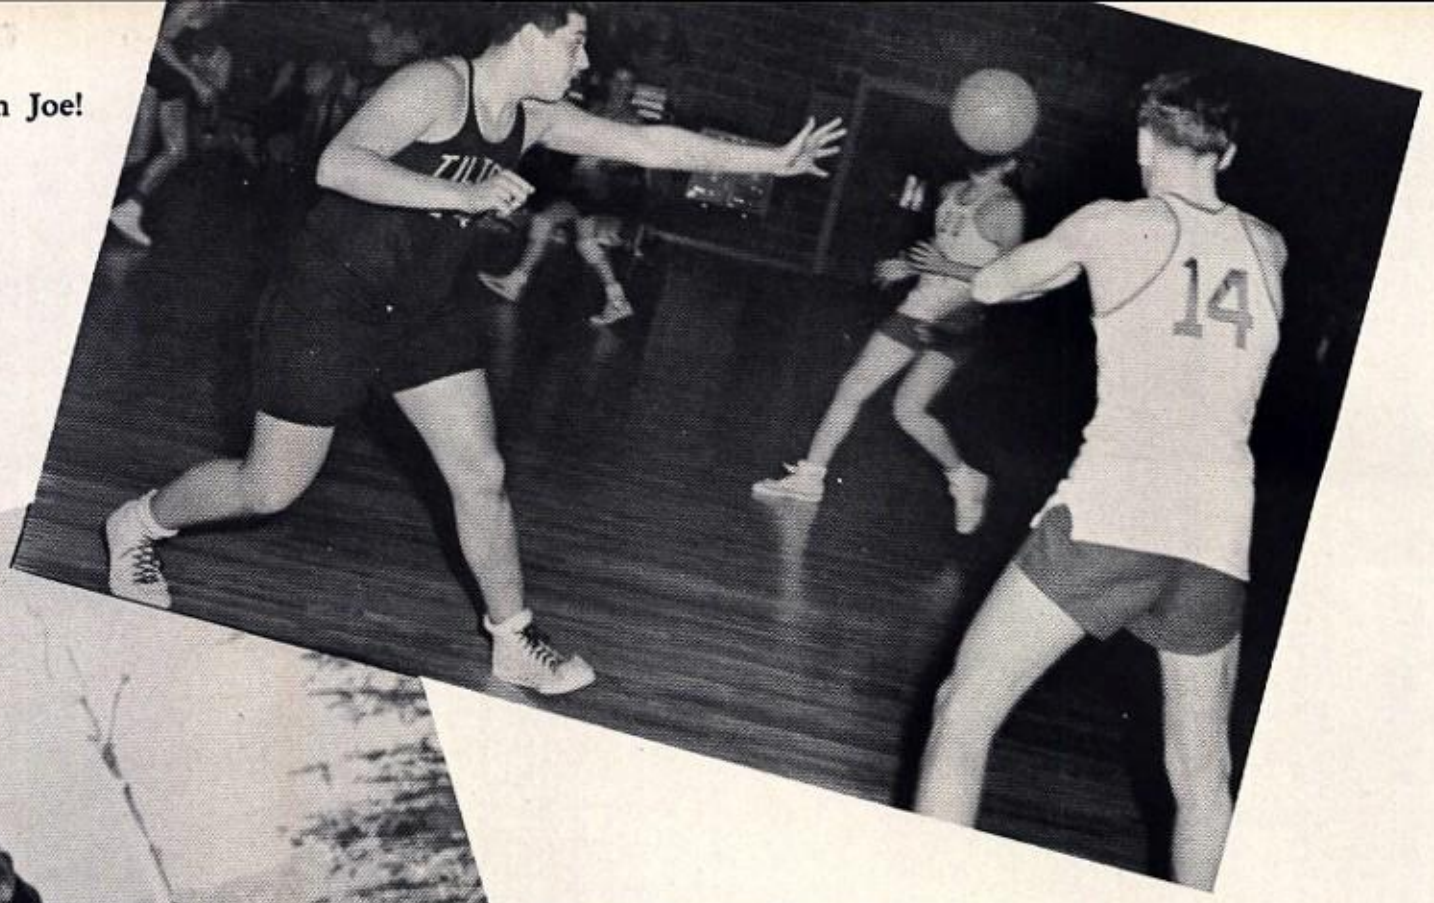
What, take your duty again, Ambie?



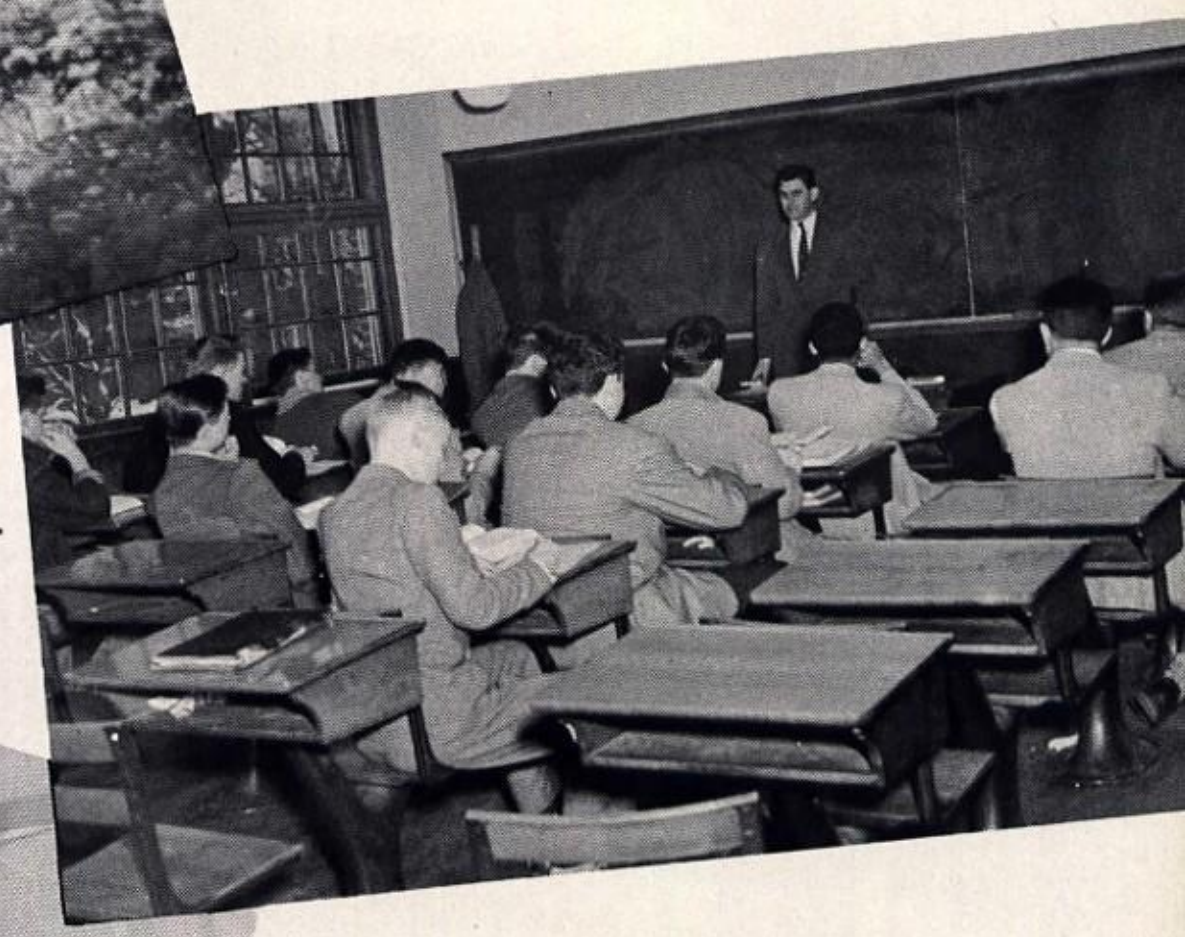
Al, Terry, Deadeye.

All right you guys, let's hear some chatter.

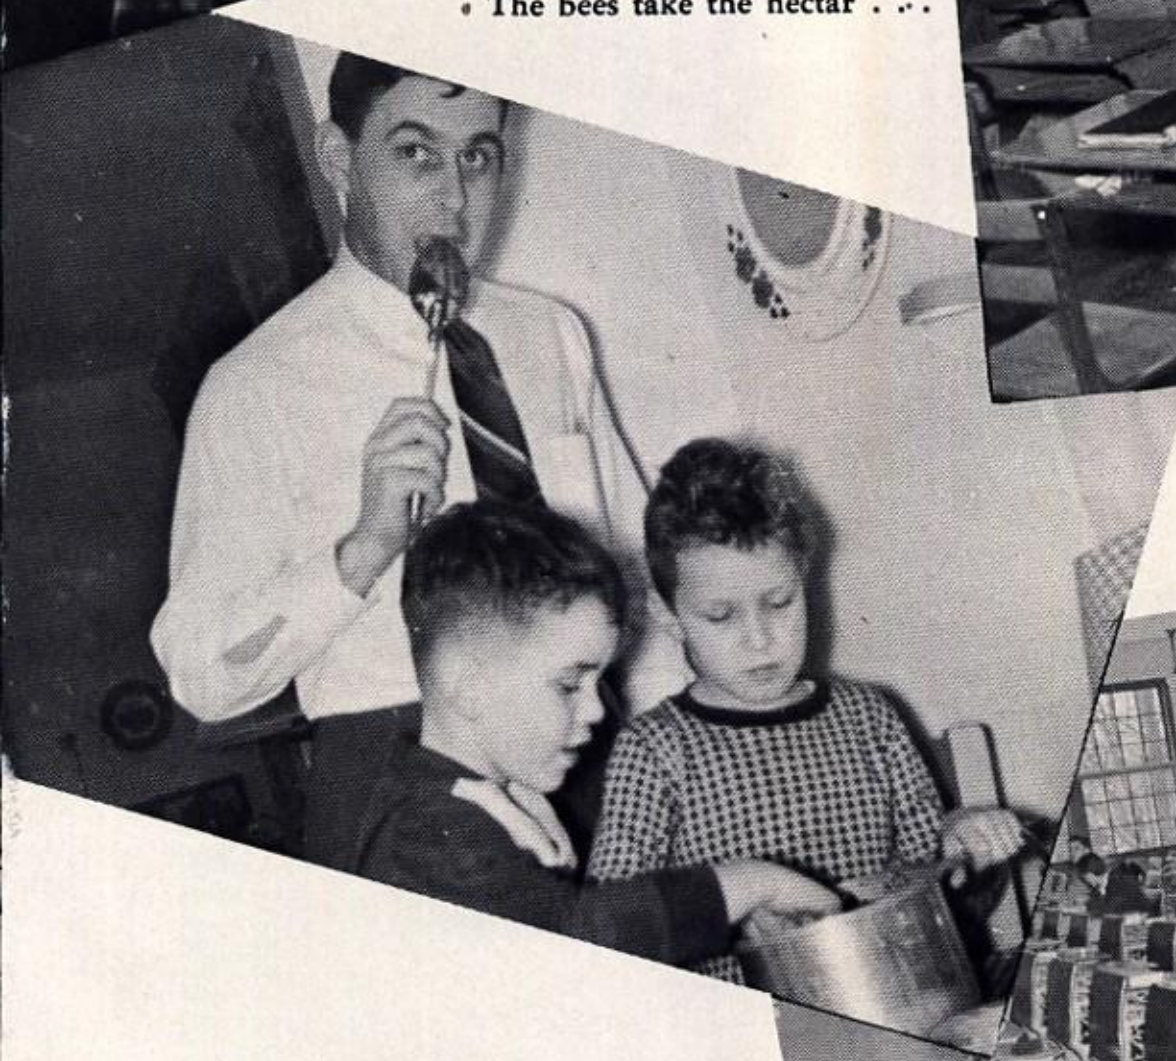
Go get 'em Joe!



Lost in the wilderness.



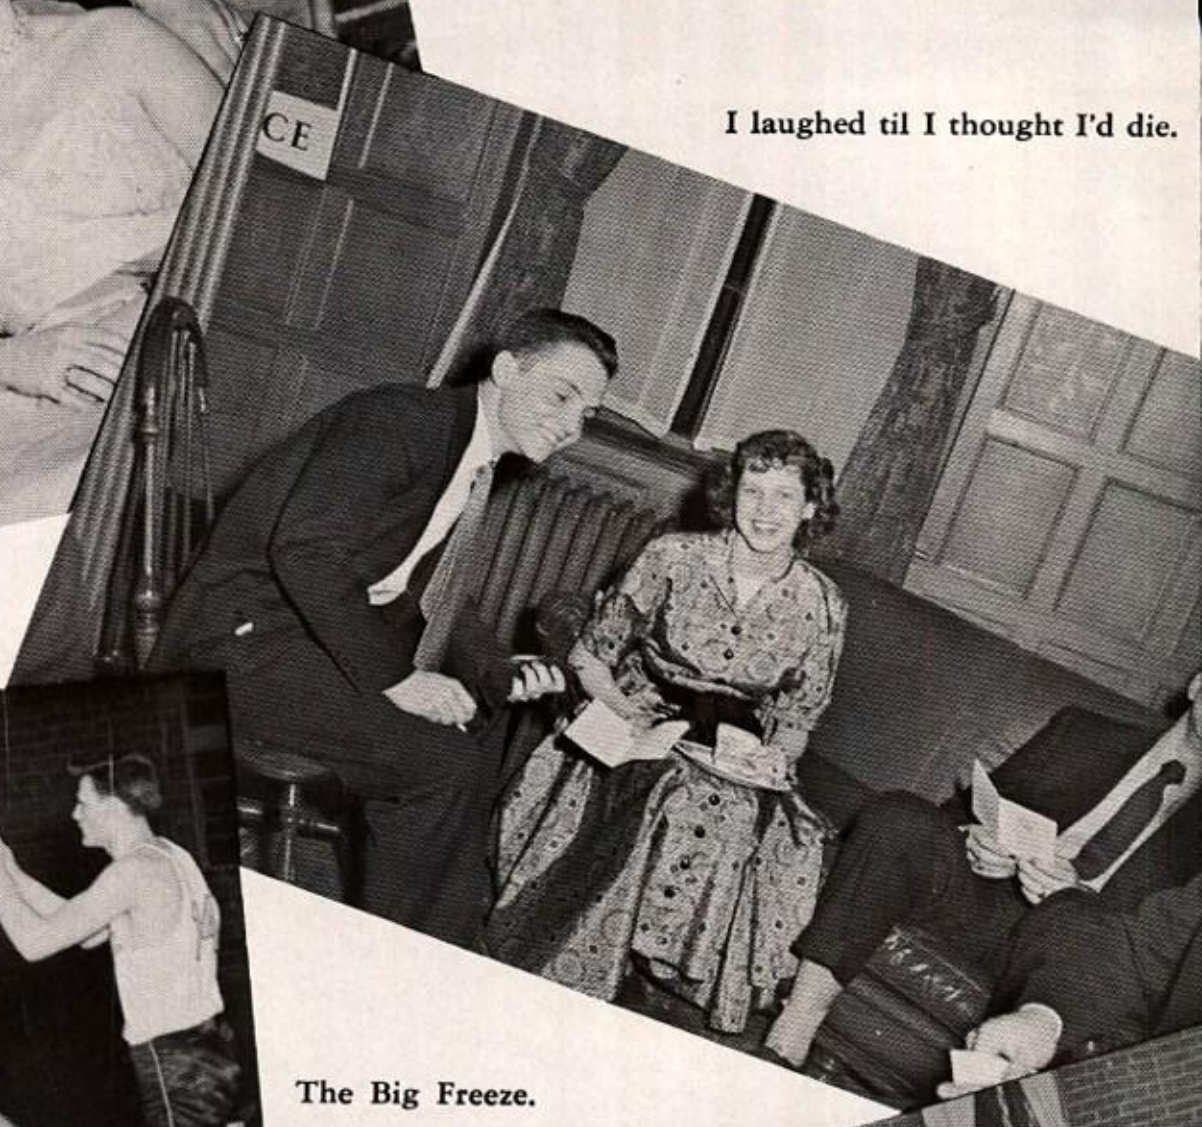
The bees take the nectar . . .



Who's the biggest baby?

All we do is work!

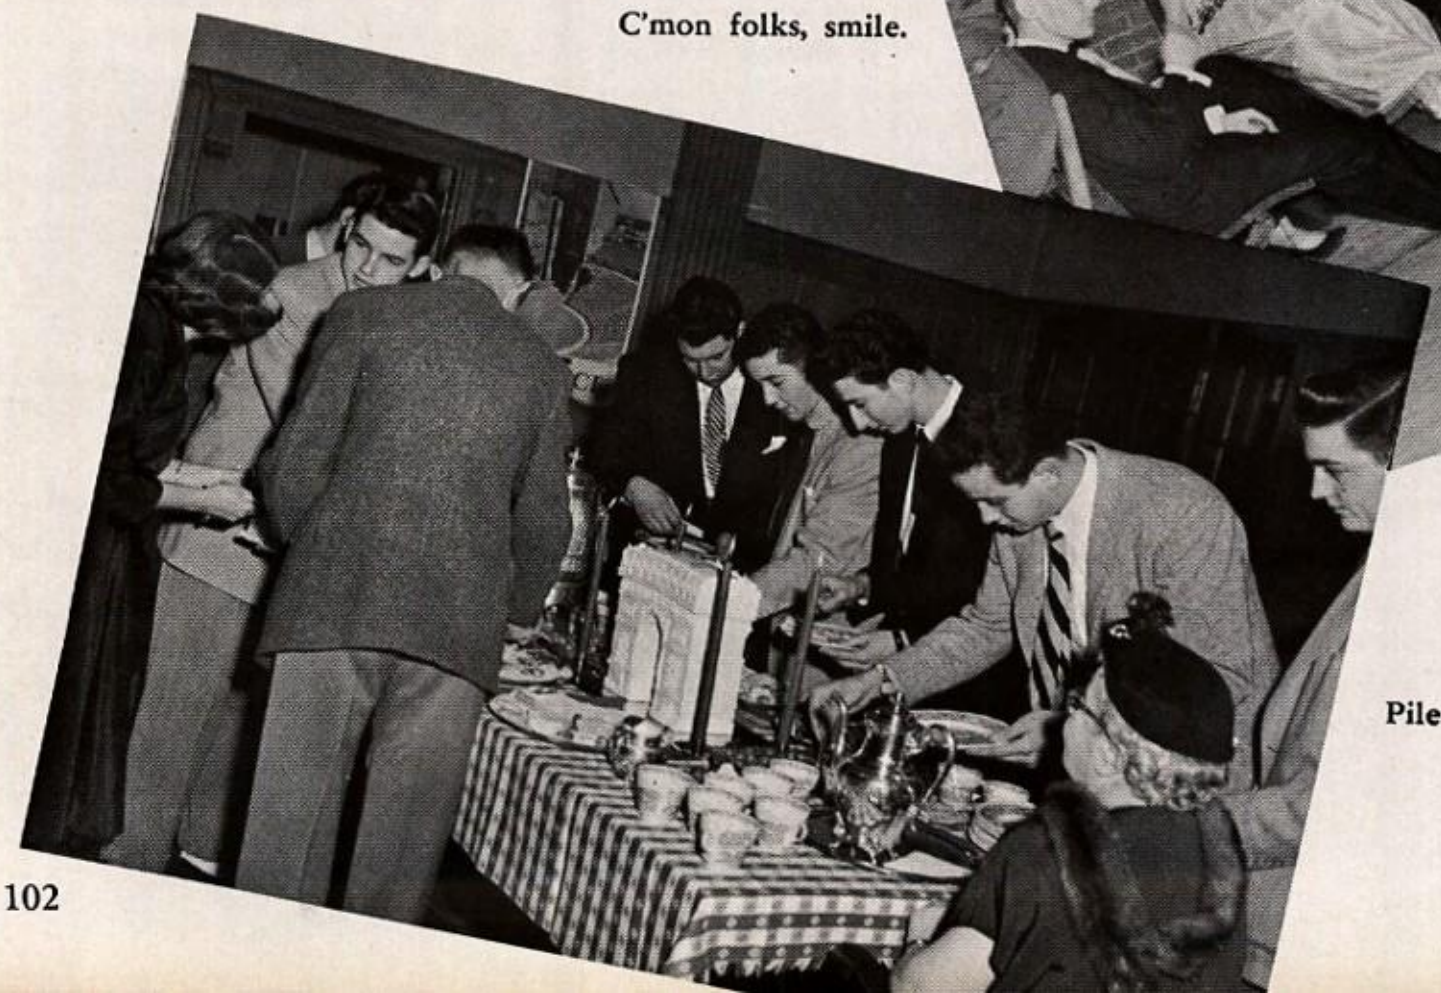
The King and Queen.



I laughed til I thought I'd die.

The Big Freeze.

C'mon folks, smile.



Pile it on!

Future Einsteins.

In a little French Cafe.

Smile purty.

Yipe, he dropped it!

Ross is a good boy, Mr. Artus?

Receiving Line.

Any seconds, garçon?

Afternoon tea time.

Hey, where is it?

Cuddle up a little closer.

# Alma Mater

O'er New Hampshire's sunlit hills
Thy swelling voices fling;
Sound the praise that ever fills
The valley with its ring.
May thy heroes never face defeat;
Thy onward climb show no retreat;
Thy triumph ever be complete,
Forever, Tilton, true.

Like the hills around thy site,
Shall stand our love for thee;
We will seek thy highest good
As rivers seek the sea.
Tho' men may pass and towers may fall,
Tho' ease may tempt and pleasures call-
We'll be thy loyal scions all,
Forever, Tilton, true.
